

## Protect Health Com. Re Spring Clean-Up

### DOCTORS' ACCOUNTS OF INDIGENT PATIENTS PROVED CONTENTIOUS

The Wainwright Town Council met in regular session at 8 o'clock p.m. on Tuesday, November 15, 1932.

The members of Council present at this meeting were Mayor Forster and Councillors Welch, McLeod, Courser, Robinson and Loudfoot.

The recorded proceedings of Council at its regular meeting of November 1st, 1932 were read and, on motion, were confirmed as written.

A communication from the Red Cross Society was laid before Council and, on motion, the communication was filed.

A communication was received from the Department of Child Welfare of the Province of Alberta, relative to Clara Mills.

On motion, the communication was referred to the Secretary-treasurer for further attention.

Doctors Maynes, Middlemas and Wallace were present for the purpose of establishing their claims for payment of accounts rendered to Council relative to alleged indigent patients.

After hearing their individual pleas a motion was presented that all accounts, authorized in the legal way, be paid and payment of the other accounts be refused. This motion was rejected by Council when put to the vote.

Another motion was thereupon placed before Council that all 1932 accounts be paid and that previous accounts be offered settlement on a 50 per centum basis and that such settlement cancel all obligations to Doctors Maynes and Middlemas and to Dr. Wallace. This motion was put to the vote and carried.

The Health committee presented the following report:

The first recommendation, made by this committee on assuming control of the work last February, was that the contract price for scavenging be increased. Partly due to the very low contract price paid to that time and largely due to the very unsanitary condition of the town when the present scavenger assumed his contract late in the autumn of 1931, it was necessary last spring to engage additional labor for the proper cleaning up of the town to guard against an epidemic. This entailed considerable additional expense to the town. Since that time, the present scavenger has been carrying on the work in a manner satisfactory to this committee and in a manner which, we believe, is meeting with general public approval. We would therefore recommend that the contract with the present scavenger be continued on the same basis as that maintaining since last March.

To guard against the recurrence of cost to the town in the annual spring clean up and to assure the work being done at an early date, we would recommend that after the 22nd inst. the sum of \$25.00 per month be withheld for a period of four months from the monthly payment to the scavenger. The \$100.00 so withheld will be paid to the scavenger on the recommendation of this committee provided that the spring clean-up is carried out expeditiously and in a manner meeting with the approval of the committee. If however the Committee is of opinion that the work is being unnecessarily neglected, as has so frequently been the case in the past, they may use the \$100.00 or any part thereof in financing additional labor for the carrying out of the work. Any part of the \$100.00 not so used

## Fire Destroyed Boiler House Fraser Refinery

### SECOND FIRE IN TWO MONTHS DESTROYS OTHER APPARATUS

Fire Monday afternoon, destroyed the boiler house and all welding apparatus and other materials stored in the boiler house at the Fraser refinery north of Wainwright.

The fire started about 3 o'clock in the afternoon and soon had the building in a mass of flames. Nothing could be saved, although Mr. Fraser's helpers battled the flames as best they could.

Mr. Fraser was at the Onaka Well when the fire started. When he got back to his refinery the building was completely gone.

The fire started from an explosion in the boiler caused by a sudden feeding of gas into the burners. The gas line that brings the gas to the refinery had frozen up, and Mr. Fraser had gone out to thaw the line.

## 1200 Buffalo To Be Killed Off This Year

### BURNS AND CO. OF CALGARY HAVE CONTRACT

The Annual Buffalo kill at the Wainwright Buffalo Park swings into full action this afternoon when Burns and Co. of Calgary start to slaughter some 1200 buffalo.

Burns and Co. of Calgary have the contract for killing of the animals this year. They will also dispose of the carcasses of the animals. The hides will be turned over to the Park service for disposal.

Sam Purshell, who has probably shot more buffalo than any other man in the world, will again be the man behind the gun. Mr. Purshell has always done the shooting at this park, and with years of experience back of him can do the work with the least possible expense.

This year there will be slaughtered both old and young buffalo, the age running from 2 year olds up. The estimated time for the slaughter will be from now until the last of December.

Bibby's Cartage of Wainwright has been awarded the contract for all hauling and cartage work that will be done.

Of the 1200 buffalo killed 90 of these will go to the Eskimo country this summer. This is an annual occurrence—the meat is dried and cured and is shipped to them in the first shipment of goods that goes up the following spring.

There are several local men employed for the kill this year.

## ICE SKATING RINK IS OPEN TO PUBLIC

The Skating Rink, built by the town council, is now ready to be opened. A fence has been built around the rink, and a shack has been moved over close to the rink so that patrons can change shoes, and keep warm. The shack is being installed with lights and gas.

Flooding of the rink started last week, and the water has been frozen so that everything is in readiness.

The council has decided that they will not charge children for the use of the rink, but there will be a nominal charge for adults.

## \$80,000,000 NAT'L. LOAN SUBSCRIBED

OTTAWA.—The national loan of \$80,000,000, offered to the public two weeks ago, has been subscribed, Hon. E. N. Rhodes, minister of finance, told the house of commons Tuesday night.

"Although it has been contemplated that the time in which the loan could be subscribed would be continued until Wednesday," the minister said, "I am happy to say that Tuesday we passed the mark, which gives us the complete sum required."

This was rather encouraging, Mr. Rhodes continued, because it was not generally recognized that this was the first time in the history of Canada that a government bond had been issued bearing an interest of four per cent and opened for subscription by the public.

The minister paid tribute to Sir Charles Gordon, chairman of the loan committee, to Victor Drury and others who had labored so industriously to make the loan a success.

Be sure that you save the date for the big card party and dance the Agricultural society is putting on Tuesday, Nov. 29, at the Elite Theatre. You don't want to miss it.

W. A. Knowles spent several days this week in Edmonton.

## Standing of Local High School Pupils

Following are the standings of the pupils in the Wainwright high school in the November examinations:

GRADE XII.	
7 or 8 units—	
Jean Leach	81
Wallace Fraser	78.6
Muriel Rowe	69.4
Douglas Wallace	64.9
Ione Plaxton	65.9
Doris Daniels	62.6
Doris Forster	50.0
Virginia Gray	55.9
Vaughan Ganderton	55.5
Della Polard	52.4
Julia Drevicki	52.0
Edith Wilson	50.5
Clifton Bradley	50.1
Carl Tory	38.1
Donald Gunn	37.5
Elleen Forster	34.1
6 units—	
Muriel Durrant	70
Dorothy Sparks	46.7
Russell Corfield	42.3
5 units or less—	
Doris Gray	75.5
Bessie Bowerman	65.6
Della Chynoweth	62.5
Fay Johnston	52.5
Unclassified—	
Jane Thomas	
Blanche Taylor	
GRADE XI.	
Bernice Reid	55
Janet Forster	79
Irene Schleck	78
Kathleen Kinghorn	73
Margaret Steel	72
James Rattray	71
Marie Perkins	70
Cecil Ricker	67
Florence Armstrong	65
Edith Steel	64
Edna Cooper	63
Marion Baker	59
Martha Johnson	57
Grace Bear	56
Grace Ebborn	55
Lulu Plaxton	47
Hazel Everett	abs.
GRADE X.	
Charles Adamson	86
Norman Taylor	77
Grace Wittmann	68
Ruby Chynoweth	66
Lloyd Hughes	64.5
Robert Winslow	64
Ivan Jackson	63.3
Stella Kinghorn	63
Lois McKay	63
Mildred Reid	62
Georgina Wiley	61
Lois Johnson	55
Roland Wilkins	54.5
Betty Cardell	54.3
Dorothy Crocker	52
MacKenzie Adamson	49
Florence Montgomery	48.8
Jean Dunmore	47
Melville Rowe	38
June McNally	30.6
Harold Wiley	30
Hazel Wiley	27
John Moore	abs.
GRADE IX.	
Vera Hausfeld	84.0
Vivian Billing	73.4
Richard Schleck	72.6
Olga Drevicki	66.6
Doris Corfield	64.9
Roy Fraser	64.3
Irvine Milner	61.9
Florence Durrant	61.1
Eleanor Cork	59.3
Henry Ruste	58.3
Joyce Renville	57.1
Phillips Cumming	57.0
Edleen Montgomery	51.3
Edward Walker	44.3
Ella Davis	41.7
Russell Ganderton	41.7
Irene Lassmore	39.4
Emerson Cooper	33.1
Eleanor Fish	29.7
William Fish	29.7
Dorothy Wilkins	28.6

## Report Shows Municipal Districts in Good Shape

### ONLY VERY SMALL DEBT AGAINST LARGE ASSESSMENT

"There never was a time in the history of Alberta when a get-together for the thrashing out of municipal problems was more needed than at the present time," declared F. H. Holmes, president of the Alberta Association of Municipal Districts at the twenty-fourth annual convention of that body in Calgary last week.

"You have managed your municipal districts well," he continued, "the proof of which is that with a total assessment of \$373,278,958, you have a debenture debt of only \$22,100 against this sum."

"It is true that you have liabilities in the way of temporary loans, bills payable, etc., of \$1,581,648.03, but against this you have the following assets: Uncollected taxes, \$4,994,206.44; accounts receivable, \$1,102,924.70; cash on hand, \$472,090.35; fixed assets, \$1,572,544.72, making a total of \$8,141,768.21. This shows a net balance of \$6,559,120.18 assets over liabilities. These figures are as at January 1, 1931.

"The average tax in the 166 municipal districts, for municipal purposes, is less than thirteen cents per acre, all of which is an excellent record. To make this showing you have been assisted in having a splendid Municipal District Act, and it is a good working statute because of this association.

"There were two important amendments to the Municipal Districts Act. On making it clear that the first visit of a medical practitioner to our indigent shall be paid for by the municipality, but treatment and further treatment must be covered by a written order if the medical practitioner wishes to collect from the municipal district.

"Considerable time of your executive was taken up with hospital finance, and the municipal district responsibility Amendments were made to the Hospital Act, making the municipal district liable for sudden and urgent indigent cases.

"Your executive again canvassed the question of per diem grants, but we are unable to state if this would cost more or less than under the present system. One thing I feel sure of, is that a grant on a per patient day basis would work much more satisfactorily and would not have the present unpleasant possibilities. Should the principle of grants be favored, I am satisfied that a sum set by statute would be more satisfactory than one found by accounting.

"I hesitate here, but I feel I must give a warning against the changing from time to time, even if slight, in our tax enforcement laws. The tax-

## C.W.L. HAD LARGE ATTENDANCE AT PARTY

An excellent attendance helped make the Catholic Women's League whist drive a real success Tuesday night of last week. Sixty-two tables of whist were played. Lunch was served at the close of the evening's play.

Prizes were won by: Mrs. Thurston, ladies high; Mrs. Ray Greer, ladies second prize; Mr. V. Confield, men's high; Mr. Aracott, second high; W. Barnett, third high; Mr. Sawe, fourth. Mr. Gregson won the doubles prize.

A second whist drive will probably be held by the C.W.L. about next February. The ladies of the League wish to express their thanks to those who donated prizes and to everyone who helped to make last week's drive such a success.

Miss Emalou Knox, who has been employed in the office of Dr. H. C. Wallace for several months, left Sunday to join her parents, Mr. and Mrs. O. Knox at Clear. Mr. and Mrs. Knox, residents of Wainwright since last spring, went to Clear some weeks ago to care for the former's father who was quite ill.

Reeve Hartman Mills and Coun. D. Jones report a busy time at the municipal convention at Calgary last week.

## Gilt Edge M.D. Not To Cancel Penalties

### D.R.O.'s AND POLLING PLACES used for the fence referred to— ARE SET FOR COMING 1933 ELECTIONS

Following are the official minutes of the last two meetings of the Gilt Edge M.D. Council: all members being in attendance at both meetings—

OCTOBER 20TH.— Moved by Coun. Black—That minutes of last meeting be adopted as read.—Carried.

Moved by Coun. Sutherland—Re hospital account of \$86.50 for M. Cyr, that the Council does not consider this case as one of indigency.—Carried.

Moved by Coun. Mills—That Mr. J. Robinson be advised that his rebuilding of North fence of the N.E. 28-44-5-4 is satisfactory to this Council.—Carried.

Mr. N. MacFayden waited on the Council re payment for building fence (about 1918) owing to an east and west roadway on the south boundary of the S.E. 24-44-5-4 having been taken.

Moved by Coun. Withnell—That Mr. MacFayden be paid \$50 in compensation for all work and material

Carried.

Moved by Coun. Withnell—That Solder Settlement Board be advised re cancellation of penalties on settler arrears that this Municipality will not make any cancellations, except where payment is tendered before the 31st January in each year.—Carried.

Moved by Coun. Mills—That the letter dated 8th October, 1932 from the department municipal affairs re direct relief be filed.—Carried.

Moved by Coun. Jones—That the letter dated Sept. 1932 from department of public health, re duties of local health boards be filed.—Carried.

Secretary reported an interview with Dr. Wallace who states that Mr. N. Neilson is in need of an operation; Dr. Wallace asks that the municipality guarantee his fees. Upon communicating with Councillors Beasley and Mills, Secretary advised Dr. Wallace that Mr. Neilson would have to pay his own way.

Moved by Coun. Withnell—That the board confirm the opinion expressed by Councillors Beasley and Mills.—Carried.

Moved by Coun. Beasley—That this municipality borrow from the Bank of Montreal \$17497 to meet 1932 school regulations, as per bank form L.F. 82 rev. 1932.—Carried.

Moved by Coun. Mills—That this municipality borrow from Bank of Montreal for ordinary municipal and hospital purposes the sum of \$11430 for the year 1932, as per bank form L.F. 88 rev. 1932.—Carried.

Moved by Coun. Black—That Secretary submit Mr. H. Sabourin's proposition re seed grain debt to the debt adjustment board, and if they are agreeable, the municipality will pass the necessary resolution and remit the proceeds of 300 bu. No. 1 wheat.—Carried.

The secretary reports the proceeds of crop on N.E. 28-44-5-4 as being 168 bushels; proceeds to be prorated on taxes and seed grain.

Moved by Coun. Black—That Secretary and Reeve be empowered to sell aforesaid wheat at once.—Carried.

Moved by Coun. Sutherland—That offer of Mr. J. Robinson for total taxes owing plus seed grain on Jean White land be tabled.—Carried.

The report of Mr. A. H. Ford, weed inspector was accepted by Council.

Moved by Coun. Jones—That the accounts amounting to \$1925.29 be passed for payment.—Carried.

Moved by Coun. Mills—That meeting close.—Carried.

NOVEMBER 15TH.— Moved by Councillor Black—That minutes of last meeting be adopted as read.—Carried.

The secretary reported that in the opinion of the department of public works no survey has ever been made and none registered along the south boundary of the S.E. 24-44-5-4.

Moved by Coun. Sutherland—That secretary make application to the land titles office for all titles due under tax recovery proceedings.—Carried.

Mr. Paul waited on the Council re loss of cow, mired in oil seepage on his property.

Moved by Coun. Beasley—That the matter be taken up with Mr. English.—Carried.

Moved by Coun. Withnell—That Mr. Trimmers offer of a reduction of \$10 in his account (10/11/32) for gravel be accepted; this being the equivalent of a refund of \$10 to this (Continued on Page Five)

## Shorty Russell Awarded Match

Shorty Russell, of Edgerton, won the decision, by a foul, from Jack Nichols of Chauvin, in the second round of the main bout, at a fight card staged in Edgerton Tuesday of last week. From the start Nichols had the best of the fight, but in the second round hit Russell a little too low, and after a doctor's examination the fight was awarded to Russell. This bout was refereed by Kid Archibald, of Irma.

In the final preliminary Fred Larson, of Irma, won by a knock-out in the second round over "KO" Donahall. Kid Dawson, of Irma, knocked-out Cyclone Fiddler in the second round of the last preliminary.

In an exhibition fight, Rudolph Mex of Athabasca made a good showing against Charlie Samuels, former English boxer. Mex challenged Curly Kid Archibald of Irma to a main bout to be held at Edgerton November 29.

Dud Sawyer of Edgerton staged these bouts.

## CANADIAN LEGION, B.E.L. WAINWRIGHT BRANCH No. 29

General Annual Meeting will be held in the Masonic Hall on Saturday, November 26th., 1932, at 9 p.m.

All ex-service men are urgently requested to be present.

CHAS. H. HORN,  
Secretary.

## ANOTHER WARNING TO CARELESS DRIVERS

Last Sunday evening, while Johnnie Martin and his sister were driving home from church, a car, with only one light, driven by a school boy, collided with them. Miss Martin was thrown to the ground and bruised in several places, but we are glad to say, not seriously injured. One of the horses was hurt, a whistle tree broken and the sleigh box damaged, as well as the windshield of the car being broken. This is one more lesson for car drivers to be more careful and not to take the whole road.

## BACK AGAIN

After a period of five months, during which time the former publisher of The Star has attempted to recuperate in health, Mr. W. H. Book who on July 1st last undertook to guide the destinies of this old-established weekly has again reverted to his ministerial profession.

This action which has arisen owing to unforeseen and unavoidable circumstances places the responsibilities from this time forward again on the shoulders of the writer, and we are frank to admit that the burden imposed is no light one by any means.

For the past over sixteen years, the happiest of business relations has always existed between subscribers and readers of The Star, and it is in the fondest hope that such shall continue to be the keynote of our continuation that we seek your co-operation.

Adverse and hard times to the contrary, the Wainwright district is such as to demand a bright, clean, well-informed weekly newspaper, and such a publication The Star has always proved to be; prices may fall, retrenchments are made, yet The Star has not failed during the past sixteen years to reach you with its weekly message of news and gossip, as well as with its merchandising offers from the town business men.

For these reasons, and very many others which might be named, we therefore again seek your co-operation. Send us in the news of your district, send us in your subscriptions (if outstanding) and rest assured that The Star will do all in its power to advance the interests of the town and countryside alike without discrimination and for the ultimate good of all concerned.

W. J. HUNTINGFORD

## TOO MUCH CENSOR SCISSORS

Not long ago we saw in our local theatre the same picture, censored by Alberta censors, that we saw in the states. We saw the part that they had cut out. We hasten to say that it was not nearly so bad as what several people suggested might be happening while they listened to the actor's speeches and watched a blank screen. Several opinions were advanced as to what might be happening in the interval, all much worse than what really did happen. All they had to go on was what was being said by the actors, a situation that would not have been bad at all if they had been allowed to see what really was going on.

While we fully realize there must be some censorship and deleting of phrases in some books, we fail to understand the workings of the minds of Alberta's motion picture censors in chopping to pieces a perfectly good picture. It hardly stands to reason that producers of pictures have no sense of decency.

It is a well known fact that the mind will conjure a more indecent picture than that which has been deleted by some puritanical-minded guardian of public morals. The inner working of a human mind is a funny thing, but invariably an audience will imagine much more than the director of a picture will ever allow in a picture.

People as a rule think that motion picture actresses and actors are the most filthy of beings and that they will do anything to get a "Public". But they are no more indecent than any of the rest of us and will not knowingly commit any offense against the public, who are their means of bread and butter.

It would seem that these censors are more evil-minded than most people. If not that, then they utterly fail to consider the normal but peculiar reactions of human beings—whose imaginations start working overtime on any good excuse, whereas they calmly overlook anything set squarely before their eyes.

Such censorship spoils and mangles an otherwise enjoyable evening's entertainment. If the censors had left that part of the picture as it was and passed it along to the public, much less would have been thought of the scene. The average person is far more prone to let a scene picture pass without comment, than if they are left to fill in a scene with their imagination.

In some printed stories and books some form of censorship must be followed, but even then more suggestive scenes are related in books than in motion pictures. A large number of these get by the censors and are passed on to the reader.

No matter how much a book is censored, it will always be read, more so than if it were not given the advertising of being a book unfit for the reading public. Too many human minds work that way.

The same applies to a motion picture. No matter how much a picture is advertised as being corrupt, people will flock to see it. If a picture is not so bad that other people may see the whole of it outside of Alberta, does that make the people of Alberta so dirty-minded that the censors must cut out that part before it can be shown in Alberta? Rather a reflection on us, isn't it?

## "GOOD WILL TO MEN"

This year, more so perhaps than in other years past, we should remember our less fortunate neighbors. As that season of Brotherhood, Christmas, approaches, we should turn our attention to those who are in need. In this town there are several families who will be unable to enjoy Christmas.

The Mayor and the Town council are going to do all they can to help the children by planning for them a Christmas celebration, and it is the duty of everybody in Wainwright who can to aid them in every way possible. They are planning to give the children of Wainwright and vicinity some small treat and have Santa Claus here for the afternoon of Dec. 24th.

This is a move to be commended, and the council deserve all the co-operation that they needed to put this over.

And in one of the daily papers we noticed recently that international relations will be remarkably strengthened with Roosevelt in the White House at Washington. Reason: he will take with him to the White house a son of a Canadian dog. The name of the dog is "Wolf", and it is the son of "Frost King" who resided at one time in Edmonton. Never let it be said of Edmonton, and therefore of Alberta that we did not do all that we can to establish pleasant relations between the United States and Canada.

When it snows, think not of all the cold it brings with it. Think rather of the moisture it brings to the earth that we may in the summer harvest an abundant crop of wheat that will bring perhaps 25 cents the bushel.

## LET'S WIN THIS WAR

There has been much military talk about combating present economic difficulties. Such expressions as "making war on the depression" have usefully dramatized the need for vigorous and concerted effort to restore prosperity. There is even more justification for the use of military terms to picture the urgent need for relief and prevention of human misery. Such energy, unity and enthusiasm as nations achieve in times of war are required to repel the converging attack of the armies of cold and hunger.

Few are the countries which have remained free from these invaders. And many have felt the forays of

these camp followers, discouragement and despair. Still stronger defenses are required for this winter. The damage from these enemies may be heavier than from a war unless even greater resources are mobilized and even greater sacrifices are made to protect men and women—and children—from their ravages.

Such sacrifices should be cheerfully offered. They are far less than those demanded by a war. Even a modicum of the thought and energy and money that went into the World War will win the present struggle. Thought and energy are hard to measure, but the meagerness of the money now being spent on the relief front as compared with the treasures blown away in France from 1914 to 1918 is easy to see.

The world as a whole is pouring \$4,000,000,000 a year into armaments. If it can afford that luxury, it can afford whatever is necessary to insure the kind of "national defense" which will safeguard helpless millions from destitution and despair. To a starving man a crust is worth more than a cruiser. And men did starve in "civilized" countries last winter. If there is money for killing, there should be money for saving.

Today nations face losses graver than the taking of territory. The danger may be less apparent, but it is so great that communities and individuals should be galvanised into action to combat it with war-time energy and enthusiasm.

Japan's exports to China fell off alarmingly during the first half of the year. This bears out our theory that shooting the customers is not a sound commercial policy. —Calgary Herald.

## A Visit to The Holy Land

(Continued)

The land of Goshen being on the opposite side of the River Jordan we drove on to the historic spot at the River Jordan, where John baptised Jesus and the people of Judea, and Jerusalem, and the people round about.

The River Jordan is not wide at this point, perhaps from 100 to 125 feet. From its looks it is rather deep, and by no means clear. There is a bridge at this point connecting the land of Canaan and the land of Goshen or the Wilderness. We went a short distance in the Wilderness.

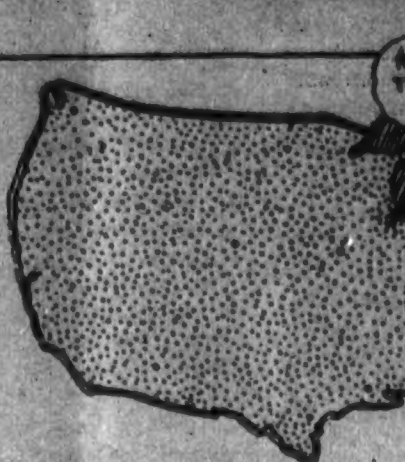

The banks of the river are not high. In making the bridge the abutments on either side were something like five feet high and run well out on each side of the river. I went down to the waters edge and got a small container of the water and brought home enough to christen my grandson in Columbus, Ohio, and my niece in Philadelphia, Pa.

We now travel back, perhaps 6 or 8 miles to the forks of the road, and turn abruptly to the left and a few miles takes us up to the Dead Sea.

We are now at the Dead Sea. It has a beautiful beach. The water is as clear as crystal and very, very salty, so much so that nothing can live in it; neither will one drown in it. It has the most wonderful beach that I saw on the whole trip. It is almost level with the water—clean sands and lots of it. I did not wade in the water but eight of the ladies took off their shoes and stockings and waded in up to their knees or a little deeper. I saw a man ride a horse in up to his breast. I brought a container of the water home with me. I presume two or three hundred persons have tasted it and I have part of it yet. There is any one who would like to taste the water, there is plenty of it for all for I am sure a half-drop would be sufficient. I did not get the water where the ladies waded in but about half way between that point and where I saw the horse wade in, so you see it is clean. I did not think to explain this sooner, or perhaps I would have more of the water. I brought home with me several pebbles, which I got in the water—all different colors, but the black ones retained the salty taste for a long time. The River Jordan empties its water into this sea but some distance from the point where we were. In a few minutes we will retrace our trip to Jerusalem but as we go we are nearing the mountains of solid rock or perhaps as we start up the mountain we see the cave where Elijah was fed by the ravens. This is near the foot of the mountain. This was on the new road, however. The road to Jericho has been changed for a few miles leaving Jerusalem. Dr. Bruer (our lecturer), Mrs. Bruer and one or two others went over the original road.

## Odd—but TRUE

SCHOPENHAUER  
THE GERMAN PHILOSOPHER  
REFUSED TO PAY BILLS ON WHICH HIS NAME WAS SPELLED WRONG

THERE ARE OVER 60,000 TOWNS IN THE UNITED STATES - IT WOULD TAKE MORE THAN A NORMAL LIFE TIME TO VISIT THEM ALL.

PINK LEMONS ARE NOW GROWN IN CALIFORNIA

## LARGE NUMBER U.S. COMMODITIES HIT

WASHINGTON—Exports from the United States which aggregated \$66,632,747 in 1931 were listed Wednesday by the chamber of commerce of the United States as being affected by the new Canadian preference tariffs granted to United Kingdom products.

The organization said British sales to Canada of the same commodities totaled \$42,946,133 in the same year, with \$19,098,867 of the total made up by beverages and \$10,558,154 by textile products.

American textile exports to Canada were put at \$3,121,496, while metals and metal manufactures accounted for \$17,085,020, the largest single item in the affected United States shipments.

## SLATS' DIARY

By Ross Farquhar

Friday—well even the Ant Emmy and pa and all so ma does say that the world is growing wiser all the time I don't think much of the way kids was educated away back when they was little kids. We had a tuff kwession in rithmetick and oney one kids pa gu!t right.

Saturday—wile we was out riding this afternoon Ant Emmy red a sine on a Bill Board with sed. Girls Reddy to Wear Close, and she sed Poor things I spose they are just waiting until they can get a job meby.

Sunday—well this after noon the skool house cot on fire agen and for a wile it looked as if we mite half to miss skool for a wile but the fire department got there and put out the Blase before it done much good.

Munday—Mr. Twellip is home from a Tour of India and we was talking about how inavilized the people in India is and he says they are Rapidly becoming civilised just like America becuz he got held up by a Bandit in the Jungles of India.

Tuesday—Chen Litch went to the Dr. to see what was the matter with him and the Dr. sed he was Elnemick and he shud ought to take up plemy of Exercise so now he has tuk up cheer leading.

Wednesday—Pa sat Jim Feeny why he started to going to church all at Once and Jim sed sence they got a Radio down at his home it is Impossible to sleep enny more.

Thursday—Ant Emmy got Stung on a Add she assered agen. She sent a \$ bill to get a Preventave of Old age and the Co. she sent the \$ Bill to sent her a bottle of Carbollick Acid marked poison.

Hay fever cures are consistent, anyway. It isn't a fever and isn't caused by hay and they don't cure it. —San Francisco Chronicle.

## HEALTH

A HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION AND LIFE INSURANCE COMPANIES IN CANADA

## NOT JUST LUCK

"This isn't just luck" is the comment made in the health bulletin of Middletown, New York, regarding the city's proud record of having only one case of diphtheria originate there in seven years.

It "isn't just luck", because there is an explanation for this accomplishment. Middletown leads in the number of its pre-school children immunised against diphtheria. It "isn't just luck", it is action that has saved the health and the lives of Middletown's children.

There is no reason why every city, town and rural area in Canada should not show a similar record. A few, but alas, a very few Canadian centres have brought diphtheria under control. They have succeeded in doing so because they made use of the safe and effective means available for securing protection against diphtheria through immunisation.

To know how to prevent diphtheria is one thing; to prevent it actually is another. We know that, through the injection of diphtheria toxoid, the body is stimulated to produce defensive forces against diphtheria, and so the injected person acquires an immunity or resistance to the disease.

But knowledge alone will not protect one single child against diphtheria. The only child who is protected is the one who has been injected with toxoid. The more intelligent parents may have a greater understanding of immunity than their less informed neighbors, but the children of both families are equally exposed to the dangers of diphtheria, and all these children require to be protected against the disease by immunisation.

Diphtheria germs do not wait to attack until children start to school. It is the pre-school child who is most commonly the victim, and diphtheria will not be stamped out until all the pre-school children have been made safe by immunization. The responsibility for this rests upon the parents. Medical science has provided the means, but, as we have said, results come only from the practical use of the means.

The time then to have children immunized against diphtheria is early in life—before the first birthday. The disease against which they need protection is one which attacks young children and which kills many of those whom it attacks. Diphtheria immunization means life and health for the children.

A few winters ago, it was smart to have a coat of tan. Now it's smart to have a coat—Montana Mining Journal.

## ELK GETS ALL MIXED UP AFTER BUFFALO

EDMONTON—The big elk at the city zoo probably admitted to himself Monday morning, that he has learned a lesson, and that fences don't break.

Galloping across the zoo enclosure after a buffalo, the elk ran smack into a heavy wire fence. He stayed there, unable to get out.

Half a dozen people called the police station and Sergeant Reg. Jennings notified Superintendent J. McGiffin at the grounds.

Mr. McGiffin went to the rescue. He tugged and twisted until he got the elk's horns untangled, but it was some time, it is stated, before the elk was released.

And the buffalo, in buffalo style, probably hee-hawed from his side of the fence.

"Get the dope on this accident," said the editor to the cub reporter, "and when you write the story, keep it short. Brevity is the soul of the newspaper, never use two words where one will do. Now go to it." A few minutes later the reporter handed in his copy. "John Jones struck a match to see if there was any gasoline in his tank," the story read. "Age 65."

'Twas a dark and stormy night. The trainman was signaling the engineer when he dropped his lantern to the ground. Another man tossed it up to the man on the box-car.

In a few minutes the engineer, a new man, came rushing up on the scene. "Let's see you do that again," he said.

"Do what?"  
"Jump from the ground to the top of that box car."

"We've got to give him something that will backfire in his nose and make him sneeze," said Dr. Auspice, veterinarian called to treat the ailing lumberjack. "Mix up a pint of linseed oil, a half cur of salt brine, some castor oil and red pepper. Let me know in the mornin' how he feels."

The next morning the foreman called the horse doctor on the phone. "Lars sneezed last night," he said. "That's fine," said Dr. Auspice. "How many times?"  
"Three," snorted the foreman.

"Once before and twice after he died."

He: "Didn't I meet you several years ago?"  
She: "I think so. Your face feels familiar."

The miserly costermonger smiled happily at the thought that his donkey was enjoying a free feed. "You're a good little girl to be so kind to a dumb friend," he said. "But who gave you the carrots?"  
The good little girl also smiled happily. "I took them from the back of your barrow," she said simply.

A little boy had taken his mother's powder puff and was in the act of powdering his face when his small sister, aged 5, snatched it from him. "You mustn't do that," she exclaimed, "only ladies use powder. Gentlemen wash themselves."

"Oscar," said the bank manager, "there'll be a vacancy here soon, and I'm thinking of giving your twin brother the job."

"My twin brother?" exclaimed Oscar in surprise.

"Yes, the one I saw watching the ball game yesterday while you were at your aunt's funeral," explained the manager.

"Oh-er-yes," said Oscar. "I-I remember! I-I'll go out and hunt him up!"

"Good!" said the manager. "And don't come back till you've found him."

## Do You Remember When

TWENTY YEARS AGO  
Nov. 27, 1912

Mr. Edward Moseley has sold his farm near Elgin to Mr. Geo. Smith who arrived here a short time ago from Ontario. Possession was taken this week. Mr. Moseley will remain in the country.

The fire bell was rung in on Sunday afternoon for a prairie fire, a little west of the flour mill. Willing hands turned out and with the assistance of Chemical No. 1 and 3 extinguished the blaze. The fire probably started from a passing engine.

While the special mixed farming train was on the side tracks here Saturday night, Station Agent Harper became suspicious of two young men who had charge of the live stock and was especially aroused when he saw the two peering in the door of the box car and then finally entering. He watched them as they broke into a box consigned to the G. H. Beaudry Co. which contained nothing more than gum. When the youths perceived they were watched they were dumfounded. Each was fined \$30 and costs.

A rabbit shoot was held last week at Gilt Edge, about 30 hunters participating. The party was divided into two teams, the honors going to Joe Democourt who took 120 rabbits. After the shoot a big supper

was eaten at Joe McClellan's place, followed by an impromptu dance.

Dr. Middlemass' office on Main Street has been completed and is now occupied by the local practitioner.

Mr. William Twomey, who recently sold his farm at Gilt Edge to Mr. Simpson, left here Friday for the southern states, from where he intends taking his departure for Buenos Aires, Argentina.

TEN YEARS AGO  
Nov. 22, 1922

Quite a number of townfolks are having good times at the skating parties which are being held at McLean's lake these evenings.

Mr. D. Haines and family have moved into the house recently vacated by Mr. Tom Herbert who is now in residence in the Fieldhouse block next to the firehall.

A wedding of much local interest was solemnized at the Edgerton church last week. The bride was Miss Marguerite Maddock and the groom Mr. John Kelley. Rev. Edward Maddock, the bride's brother, officiated. After the wedding a reception was held at the rectory. The pair left on the evening train for Edmonton.

The Trafalgar schoolhouse was packed last Friday when a home talent entertainment was put on by

the Methodist church. The program was excellent all the way through, the outstanding hit, however, being "Mrs. Black's Pink Tea," conducted by a number of ladies. It was a laughable program and the audience showed their appreciation by their hearty guffaws.

The rink committee has been working hard and long to get the rink ready for skating as soon as possible. Mr. A. Normandin is working tooth and nail to get it in shape for use in the next ten days or so.

Mr. H. Cheatham of Greenhalghs accidentally took the wrong road to Lloydminster and after descending a steep hill he found that the bus would not climb back up. After searching the country for gas he at last returned empty handed, backed the car up the hill and returned home.

Mr. Julius Bamelis left for his old home in Belgium. His father, Harry Bamelis, accompanied him after spending a number of years here with his son. Julius will return, but his father will make his home in Ypres, Belgium.

ONE YEAR AGO  
Nov. 25, 1931

The drifting snow has made the east and west roads almost impassable in some places for cars, although the north and south roads are open and trucks are busy hauling over them.

Mr. Lyle, our newly installed blacksmith, is this week moving his family into the former George Davy house on Fourth avenue east.

After paying several visits to old friends en route to their new home, Mr. and Mrs. C. Walton, who recently left to reside at the coast, reached their destination early last week. Mrs. George Arkwright who has

been suffering from a fractured rib owing to a fall is reported much better.

Mrs. Dallas Smith, who was rendered unconscious when she was thrown from a buggy as the result of a collision with a truck, has returned from the hospital to her home.

It was a pleasing evening which the members of the Klumax Klub put on in the I.O.O.F. hall on Wednesday when a large number of friends joined them in enjoying an evening's dancing. A dainty supper was served by the girls at midnight.

Mr. Dave Davison will be making the trip to Vancouver on Monday next when he will take charge of a couple of dandy buffalo which the government are shipping from that point to Rangoon, Burma, India.

## Hope Valley Notes

By Mrs. W. H. Beach

Harold, 7-year-old son of Mr. and Mrs. Oliver Moore, was struck by a truck on the street in Vancouver recently. Several ribs were broken, and these were nasty cuts on his head. Latest reports are that he is getting along nicely.

Mr. T. Tomek took a carload of cattle to Edmonton the first of the week.

Mr. A. L. Lanes and Mr. N. H. Armstrong have had radios installed.

A turkey shoot is to be held at Mr. E. P. Taylor's, on Friday, the 25th instant, at 1 o'clock. Lunch will be served.

We understand that the little lady who arrived recently at the home of Mr. and Mrs. Duff Moore will be known as Marjorie Moore.

An authority informs us that William is much pleased now that the ice on the river is quite safe for crossing. To Bill and Sparkie it won't make much difference, Oh my, Oh my!

## Fabyan Briefs

By Mrs. H. E. MacDonald

Fabyan United Service (Rev. W. H. Huston, Minister). — Sunday School at 12.30. Preaching at 1.30.

Mr. W. H. Willson has gone to Calgary for a few days on business.

Mrs. L. King entertained guests from Irma over the week-end.

Mr. H. E. MacDonald spent several days in Edmonton last week for medical treatment.

A large crowd enjoyed skating on the river Sunday.

A Chicago man while hunting in the Maine woods was mistaken for a deer and shot at several times. He says he felt perfectly at home.—Calgary Herald.

## INDIANS OF CANADA SHOWING INCREASE

EDMONTON. — Canada's native races are increasing in population, according to official figures and estimates. Today the Indians number 122,920, which is an increase of some 17,000 in twenty years. Of the Eskimos there are 5,979. It was the first counting of heads among the Eskimo tribes, which exist principally in the Northwest Territories, but an estimate made ten years ago by the Royal Canadian Mounted Police and Missionaries placed their total at not more than 3,000.

Canadian Indians are wards of the state and most of them live on reserves. They are located in all the provinces, but Ontario has the lead with 30,638 descendants of the aborigines and British Columbia is a close second with 24,599.

Officials of the Department of Indian Affairs believe there are more Indians in Canada now than were here when the first white man arrived more than four centuries ago. It is impossible, of course, to prove their theory, as the Indians who roved the forest primeval were not bothered by census takers, but there are voluminous records still in existence which give them a basis for their conviction. They attribute the recorded increase of recent years to improved sanitary conditions among the tribesmen and more efficient supervision of their affairs.

"False alarms are the curse of a fireman's life," says a retired captain. Nobody likes to be told to go to blazes for nothing.—Calgary Herald.

## Original Play Contest Started

The Carnegie Trust Fund have decided to hold a competition for the writing of original plays. Three prizes will be awarded: first prize, \$100, second prize, \$50, third prize, \$25.

The rules of the competition are as follows:

1. The competition is open to anyone residing in Alberta.
2. The play must be the original work of the competitor and must not have been previously performed or published.
3. The play may be in any number of scenes or acts, the playing time not to be less than 30 minutes and not to exceed 2½ hours.
4. We wish to leave the playwright as unhampered as possible by rules and regulations but would suggest that the play have a Canadian background—Alberta, if possible.
5. The Carnegie Trust Fund Trustees reserve the right to produce any of these plays without payment of royalty within one year after they have been submitted.
6. We advise sending copies, not original scripts, as we cannot guarantee to return the manuscript.
7. All plays are to be typewritten, double spaced, on one side of the regulation bond paper, 8½ x 11, leaving a two inch margin.
8. The competition closes on January 15. Plays are to be submitted to Mr. E. A. Corbett, Director, Department of Extension of the University of Alberta.

## CANADA'S NEW PORT ENDS FIRST SEASON

WINNIPEG. — When the first commercial season of navigation closed at Churchill, Canada's seaport on Hudson Bay, more than two million bushels of wheat had been shipped to Old World markets by that route, in ten ships. This practical test of the port's facilities for handling grain, and of the route itself, to the Atlantic through Hudson Straits, was considered to have demonstrated their efficiency and their possibilities, and the Churchill elevators already have been packed with grain in preparation for next season.

The record of the port was marred by the sinking of the steamer "Bright Fan," which collided with an iceberg while outward bound through the Straits and sank with her cargo. The crew was saved through the agency of the radio and patrol services maintained in those waters by the Federal Government. Proponents of the Hudson Bay route were unable to see anything in this mishap but an unfortunate incident, and pointed out that no sea line had a clear record in the matter of safety of shipping.

The "Juventus," Bristol-bound, along with a cargo of wheat, took a woman passenger, Miss E. Cora Hind, veteran agricultural editor of the Winnipeg Free Press, who was active for many years in the campaign to complete the railroad to Hudson Bay and to open this direct outlet to the Atlantic.

TORONTO. — Eight Canadians are numbered among 402 individuals in North America who hold life insurance policies to the extent of one million dollars or more.

## ELK HUNTING NOW ON ONTARIO GAME LIST

TORONTO. — Elk hunting is to be added to Ontario's big game list, according to an announcement by Hon. G. H. Chalmers, provincial secretary, in charge of the Department of Game and Fisheries.

The department will endeavor to propagate the elk in sufficient numbers to stock the north country, the announcement said. Through the co-operation of the Dominion Department of the Interior, a shipment of elk was obtained from Wainwright, Alta., and is expected more will be obtainable next year.

OTTAWA. — Canada's gold output for the first eight months of the present year amounted to 2,011,204 ounces. For the corresponding period of last year production was 1,734,089 ounces.

## Leta Archer and Clifford Harris Married Nov. 14

The Chauvin Hotel was the scene of a very pretty wedding Monday, November 14th, when Leta Evelyn Archer, eldest daughter of Mr. and Mrs. O. L. Archer, became the bride of Clifford Alexander Harris, son of Mr. and Mrs. W. O. Harris of Chauvin.

The ceremony which was conducted by Rev. G. W. Wilson of Edgerton took place in the dining room of the hotel at two o'clock in the afternoon. The bride was daintily attired in a Paris creation of mauve satin with pearls, wore a silver metallic head-dress and silver slippers, and carried a bouquet of pink and cream roses. She was given away by her father. Miss Lillian Harris, sister of the bridegroom, acted as bridesmaid, and wore a charming dress of white satin with Spanish rose and fringe. Calvin Archer, brother of the bride, acted as best man.

The dining room was very prettily decorated for the occasion with pink and white streamers and white bells. Following the ceremony in the afternoon dancing and music were enjoyed in the dining room.

In the evening about 50 guests, relatives and intimate friends of the bride and bridegroom sat down to a most sumptuous supper which had been prepared by Mrs. D. Dundas. The tables were beautifully arrayed and were decorated with roses and ferns. The bride cut the cake which she herself had made and decorated. Following the supper all joined in wishing the couple all the good things that could be wished for and many made fitting toasts to the occasion. A host of beautiful wedding presents were presented to them, among which were silver, cut glass, chinaware, linen, down quilt, satin bed spread, two tea sets, hand painted pictures, checks, etc.

In the evening a big dance was given in the Royal Theatre, to which all were invited, and a very large crowd was present. Music for the dance was supplied by a number of the couple's friends from Edmonton. Miss D. Adamson, Mr. F. Adamson, Mr. Flowers, and directed by Mr. A. F. Archer. There again Mr. and Mrs. Harris were accorded the hearty good wishes of all present.

Seventeen friends and relatives came long distances to attend the wedding, these being Mr. A. F. Archer, Mr. and Mrs. R. O. Archer, Miss Ethel Archer, Mrs. G. W. Harris, Mr. and Mrs. William Passmore, Mr. and Mrs. Jack Barrie, Miss D. Adamson, M. Frank Adamson, Mr. and Mrs. R. Cramer and Mr. Flowers from Edmonton, Mrs. Frank Hancher and Mrs. T. G. Chailand of Leduc, Alta., and Mrs. S. T. Bushy of Spokane, Wash.

### BOYS OF LOCAL I.O.O.F. HOLD ANN. DIST. MEETING

Monday evening saw a large attendance at the lodge meeting of Wainwright, 45, I.O.O.F., the occasion being the annual district meeting of District No. 24.

Bro. T. Lismore, P.G., D.D.G.M., presided, and delegates were present from the sister lodges at Irma and Chauvin.

Items of great interest to the members were on the agenda and at the close of business a splendid supper was served, during which time speeches and congratulations were in order.

## Annual Card Party and Dance

AGRICULTURAL SOCIETY  
November 29, 1932

### Eite Theatre

Admission including cards & dance  
ADULTS 50¢  
SCHOOL CHILDREN 25¢

7 PIECE ORCHESTRA

## Coming Events

Miss Isabel Griffiths will speak at the United Church today (Wednesday) at 3 o'clock and also this evening.

The annual meeting of the Canadian Legion, B.E.S.L., will be held in the Masonic hall Saturday, Nov. 20, at 9 p.m.

The Catholic Women's League will meet Tuesday, Nov. 20, at the home of Mrs. W. J. O'Callaghan.

### CHAUVIN COUPLE MARRIED THURSDAY

The marriage of Charles Dundas Cargill to Miss Kathleen Mary Mannion, both of Chauvin, was solemnized Thursday, Nov. 17, at the United Church manse in Wainwright. Rev. W. J. Huston read the ceremony. The young couple were attended by Miss Mabel Reinhart and Norman Cargill.

### Presbyterian Ladies Aid Bazaar Saturday

The bazaar held by the Presbyterian Ladies Aid, Saturday was a very successful event, as the ladies took in more than \$65 from the sale of work. Only six or seven articles were left, and sale of those pieces is expected to raise the total to more than \$70. A post-office was held instead of a cash sale, and every package in the post-office was sold. Thanks to everyone who helped in any way to make the sale such a success.

### Mr. and Mrs. Fadden Honored at Dance

Mr. and Mrs. Lynden Fadden, married a few weeks ago, were the guests of honor at a wedding dance held at the Battleview school Friday evening, Nov. 18. That date was the silver wedding anniversary of the bride's parents, Mr. and Mrs. Friesel.

### Rebekahs Added New Members

Four new candidates were initiated into the Rebekah lodge at the meeting Thursday evening at the I.O.O.F. hall. They are Mr. A. Sowers, Mr. W. Carsell, Mr. Walter Adams of Fabyan, and Mr. Ormond Bowen. Nominations were made for officers for the coming year, and election will be held at the next meeting. A social hour followed the business meeting.

### U.F.W.A. Met Last Thursday

The Sunnyside U.F.W.A. held a special meeting last Thursday at the home of Mrs. C. G. Moore, to complete arrangements for the entertainment planned for Friday, Dec. 9. The ladies have postponed plans for a play, and will instead give a whist drive, sale of work and dance. Prizes in whist and a door prize are offered. The annual display and judging of junior handicraft will also be a feature of the evening.

### Auburndale Dramatic Society Met

The Auburn Leaf Dramatic society at Auburndale held its regular meeting at the Auburn Leaf school Wednesday evening. After the business an enjoyable program was presented by the literary group. Luncheon was served following the program.

### A.Y.P.A. Had Social Meeting

The A.Y.P.A. held a social meeting Monday evening at the home of Mrs. Frank McLeod, with a good attendance present. Every member present took some part in the impromptu program of games, stunts, sports, musical selections and other entertainment. Plans were also made for the debate to be held early in January against the United Church Young People's society. The subject will be: "Should Canada be Annexed to the United States?"

### U.C.W.A. Groups Met

Group B of the U.C.W.A. met Monday afternoon with Mrs. Geo. T. Steel to work on articles for the W.A. bazaar early in December. Both groups met at the church Tuesday. Articles for the bazaar may be turned in to group leaders.

## Little Pen-O-Grams

## Gilt Edge Echoes

By Miss I. Plaxton

Gilt Edge Service (English Church)—Services next Sunday at 3 p.m. and every other Sunday at 3 p.m.

Mr. Paul Powell of Gilt Edge has left to spend some time at Hardisty.

This coming Friday, November 25, there will be a card party and dance at Mayfield.

We hear that the Gilt Edge boys have been so energetic as to clean off a rink for the winter. There will probably be lots of skating parties now.

Christmas must be really drawing near for we hear that the Christmas concert at the Plaxtonville school is to be held on the 23rd of December.

### L.O.B.A. Chose Officers Tuesday

Election of officers for the next year was the chief business taken up at the monthly meeting of the Lady Orangemen Tuesday of last week. Names of the new officers will be announced following their installation at the December meeting.

### Young People Plan Skating Party

"Citizenship" was the topic of the meeting of the United Church Young People's society Sunday evening. Ed. Turner, president of the group, was in charge. The society is planning a skating party for Friday evening.

### SINGLE UNEMPLOYED RELIEF

No further registrations of single unemployed men from other centres or other provinces are being accepted at Calgary, Edmonton and other points where community kitchens are established, according to an announcement made by the Alberta relief commission. All single unemployed in centres other than those in which kitchens are established will be cared for at their own centres of residence, state the commission. Arrangements have been made respecting employment of single unemployed on farms. Farmers may come in to the centres and select from those registered under the jurisdiction of the relief commission at the unemployment bureau, and provided a mutual arrangement is arrived at, the federal government will pay \$5 per month to the farmer, and the same to the man employed. The farmer must agree to keep the man until next spring and the man employed must agree to stay till then.

Binks: "How is Mrs. Blunt getting along with her driving?"

Blunt: "She took a turn for the worse last night!"

Brentwood, England, will abandon its fair, which has been held twice a year since the charter was granted by Charles II.

### ANOTHER GOOD COAL ORDER

Another good order for Alberta coal will come to Alberta mines this winter, as a result of contracts let by the Manitoba government for something like 35,000 tons for provincial institutions. Of this probably 25,000 tons will be purchased from Alberta mines.

## Greenshield News

By Miss L. Morrison

Greenshields United Church Service, (Rev. Huston, Minister)—Services held in Greenshields School house, as follows: Sunday School at 2:30 p.m., followed by preaching at 3:30 p.m.

Mr. and Mrs. R. J. Patterson of Irma arrived on Wednesday to visit with Mr. and Mrs. Ed. Patterson.

For the past week Mr. and Mrs. Harold Merrick and little daughter have been visiting Mr. and Mrs. E. Mills.

Mr. M. M. Haynes is at home for a few days this week.

Monday noon, Mrs. C. V. Carl left by train for her home in North Battleford. She has been visiting relatives here.

Mrs. Lawrence Parnell and her daughter Jessie leave Monday night for their old home in Dudley, Mass., U.S.A. They will stop over at Lennoxville, Que., to visit Mr. and Mrs. Lester Parnell.

A jolly sleigh load of friends surprised Mrs. L. Parnell Wednesday evening. On behalf of those present Rev. W. J. Huston expressed the appreciation of the Greenshields people for her untiring efforts to promote interest in music in this vicinity and presented a silk scarf to Mrs. Parnell as a slight token of love and esteem. After a delicious lunch the friends dispersed singing, "For they are jolly good fellows."

As a farewell gift to Miss Jessie Parnell, the teacher and scholars of Greenshields school presented her with a green leather purse and expressed best wishes for a pleasant journey.

The Junior Girls Group, "The Explorers" presented Miss Jessie Parnell with an autograph album as a parting gift on Sunday afternoon, each member having written an autograph.

Mrs. A. Murray entertained at a farewell dinner Sunday evening for Mrs. L. Parnell and Miss Jessie. The evening was enjoyably spent in music. The guests included Mr. and Mrs. L. Parnell and Miss Jessie, Mr. and Mrs. D. A. McDougall and Mr. and Mrs. Percy Murray and little son.

## Here and There

Practically an egg a day is eaten by every man, woman and child in Canada. The average per capita yearly consumption of eggs in the Dominion is 361, the highest of any country, according to an official computation.

Canada's gold production in 1931 reached the new high total of 2,682,776 ounces valued at \$55,487,900. This is 27.6 per cent above the 1930 production. Of this total the province of Ontario accounted for 2,079,752 ounces valued at \$42,992,258.

New Brunswick can now claim the rare distinction of producing a white squirrel. The animal was caught by Jack Felsing of Fredericton who trapped it near the village of Lincoln. It has been bought by the government and will be mounted and placed on exhibition.

Hon. Cairine Wilson, Canada's only woman Senator, arrived recently at Quebec on board the Empress of Australia, from a trip through Europe. While in London she visited the House of Lords, but could not make comparisons with the Senate since the House was not in session.

Western plains have been given a boost by the rains of the last days of April and farmers of the prairie provinces are cheered by fine seedling conditions and good prospects of crop success, according to information summarised by the Canadian Pacific agricultural department crop report.

Following the announcement of reduced ocean rates on Canadian Pacific ships on the Atlantic, one of the largest parties ever to leave Toronto at this time of year for the Old Country sailed recently aboard the Duchess of York. There were 275 in the party drawn from all parts of eastern Ontario but mostly from Toronto.

The first cases of roses and shrubs from France for Grand Pré Park, Nova Scotia, arrived there recently. They are from Chateaufort, France, the gift of the mayor of that town. Chateaufort is one of the places in France where the exiled acadians settled after the Grand Pré expulsion.

Four stretches of New Brunswick trout and salmon waters were sold at the Department of Lands and Mines recently for prices totalling \$5,850. These leases for a term of 10 years are on the Restigouche, Kedgwick, Matapedia and Big Savoye Rivers and prices paid are the annual rental charges.

Daylight saving time, commencing in Quebec and Ontario provinces May 1, occasioned little confusion on Canadian Pacific travel. Travellers have nowadays learned that the railways remain on standard time and govern themselves accordingly. The railway announced a number of train time alterations prior to the introduction of daylight saving.

From little Norfolk Island in the South Pacific, one of the smallest units in the British Empire, an excellent sample of beans for exhibition at the World's Grain Exhibition and Conference to be held at Regina July 1933, has just arrived. Norfolk Island is the scene of the punishment of the mutineers of the "Bounty" in 1856 but it has long ago changed from a penal to a prosperous settlement. (341)

Building trades men in England may have a 40-hour week.

Visiting and Travelling Patriarchs always welcome.

L. D'ALBERTANSON, C.P.  
W. C. BOWEN, Scribe

A game commission official, observing mangled remains of wild animals on many of the highways, sees an indication of the "lust to kill", and wonders what kick a motorist gets in running over a helpless animal, blinded by headlights. Motor car drivers, we claim are as human as anybody else and few of the wild things are deliberately destroyed on the highways. On the other hand, the motor car helps the normal hunting instinct inherent in man and enables the real sportsman to reach his shooting grounds each autumn in comfort and without loss of time. The man who frequently gets away in his car for a day's shooting is the very man who would stop his car on the road rather than destroy a rabbit or a woodchuck.

## Winter TRAVEL BARGAINS

## CANADIAN NATIONAL

## Province Shows Improvement in Gov't Finances

EDMONTON.—A cash deficit of \$389,415 is the Alberta government's showing for the first six months of the fiscal year, ending September 30, as compared with \$3,969,831 for the corresponding period of last year. The government's receipts increased \$1,176,165, while expenditures were reduced \$424,249. Reduction in the deficit from last year's figures amounts to \$3,900,416.

These figures are as given in the government's second quarterly financial statement, which has just been issued. In accordance with a resolution adopted at the last session of the legislature such a statement of both receipts and payments, with a summary also of the public debt, is now being made at regular three-month intervals.

### Brownies Pleased

Premier Brownlee, commenting on the present report, says that in view of the conditions resulting from lower wheat prices, and lacking the 5-cent bonus, it is reasonably satisfactory. "I am not overlooking the fact, however, that there are extremely difficult problems still ahead of us, and we are therefore again carefully scrutinizing all administration in the light of this six months statement."

Taxes yielded the province an increase of \$1,149,444 over the corresponding period of a year ago. This gain represents in large part the proceeds of new or increased taxation but is partially offset by decreased revenue from amusements and pari-mutual taxes.

No product in the world has as much turnover as chewing gum.

## CLASSIFIED ADVTs

For 25 words or under, 50c for 1 insertion, 3 insertions \$1; 10c for every additional 5 words. Cash with order.

### FOR SALE

### WANTED

Male Help Wanted—**SELL WATKINS PRODUCTS** Made in Western Canada. **USE A WATKINS MAN.** Earn from \$35 to \$50 from the start. Operate your own store on wheels. Over 150 Staple Food Products and Farm and Household necessities that are needed and used daily by thousands of farm homes of Western Canada. 84 Years Reputation. Ambitious and reliable men wanted right now to set themselves up in business around Ribstone-Wainwright. For FREE BOOKLET, write The J. R. Watkins Co., Dept. 107, Winnipeg.

### THE SENSIBLE MAN

The man on the street tells us that when the Canadian dollar drops on par with English money we will get from 10 to 15 cents per bushel more for our wheat, and all other farm products will increase in value. If this is correct we are all for it. In the meantime thousands of dollars worth of property are being destroyed every minute by fires in the United States and Canada. You can't afford to lose your property now, when money to rebuild is so scarce. The wise man lets the insurance company carry that risk. \$1000 insurance costs less than 1% cents per day, about what an ordinary smoker spends on matches or about what it costs to run your car two blocks. Cut out some very small expense and insure your property with some strong company. Let them carry the risk for you.

## Edgerton Ripples

By Rev. W. Bainbridge

Edgerton United Church Service—(Rev. W. Bainbridge, Minister.)—Services, Sunday November 27, are as follows: 11:15 a.m., Rosemayne schoolhouse, 3:00 p.m., McCafferty, 7:30 p.m., Edgerton.

A meeting was held in the Pawsey Hall on Saturday to organize a Badminton club. A large number were in attendance and the following officers were elected: President, Rev. W. Bainbridge, Vice-pres., Mr. C. Hawthorne, secretary, Mr. Mead, treasurer, Miss Murray. The membership fee is \$5 and if you are interested you are asked to get in touch with the treasurer. Playing will take place on Monday and Saturday nights from 7-11.

The skating rink was opened on Saturday afternoon and a large number dug out their blades and were enjoying this good form of exercise even after darkness had arrived.

Dr. Dobson's message was enjoyed by all who braved the elements last Tuesday afternoon.

Mrs. Withal journeyed to Edmonton where she is visiting with friends.

The Edgerton United Church choir wish to announce the coming of the three act play "Deacon Dubbs". This play will be staged in the Pawsey Hall on Friday Dec. 2nd, by the Ribstone Young People. Tickets are being sold by the local choir members, admission, adults 40c, children 20c. You need a good laugh so be sure to keep this date in mind.

The Literary society of the Edgerton school held their monthly meeting last Friday. A good program was enjoyed by all who were in attendance.

Workmen are now busy resurfacing the main street in our town. Clinders reign supreme at most of the corners, which are a great aid to the crossings.

## CONTINUATION OF Gilt Edge M.D.

(Continued from Page One)

municipality on their overpayment of \$21.50 made to him on deviation (1836 survey) N.W. 25-48-4-4; balance of \$11.50 due from Treasurer to municipality to be regarded as compensation for any re-fencing done by him, owing to the making of said deviation or any previous deviation.—Carried.

Moved by Coun. Beasley—That debt adjustment board be advised that in the opinion of this Council it is hopeless to enter suit against Mr. J. G. Moffatt re seed grain debt and that it is recommended that this debt be written off.—Carried.

Moved by Coun. Mills—That Mr. H. McNern be advised that this municipality cannot entertain his offer to purchase a small fraction of the S.W. 5-45-6-4.—Carried.

Moved by Coun. Mills—That the Nomination and Ratepayers' meetings be held at Wainwright on the 3rd Saturday of February 1933.—Carried.

Moved by Coun. Jones—That Mr. J. Reid be appointed as Returning Officer.—Carried.

Moved by Coun. Sutherland—That Mr. Geo. Turnbull be appointed as D.R.O. for Div. 2; polling place, Heath school house.—Carried.

Moved by Coun. Jones—That Mr. H. Driver be appointed D.R.O. for Div. 4; polling place, Mayfield school house.—Carried.

Moved by Coun. Black—That Mr. M. H. Pugh be appointed as D.R.O. for Div. 6; polling place, Rosedale Hall.—Carried.

Accounts were ordered paid to the amount of \$640.47, and the Council adjourned till December.

## Here and There

A total of 120 sailings to and from Halifax will be made during the coming season to the Old Country, the majority of which will be by Canadian Pacific steamships.

A rise in wholesale prices in Canada during September is considered to be one of the outstanding favorable events in the Canadian economic situation, according to a statement recently issued by the Department of Trade and Commerce.

Popularity of Canadian tobacco in the United Kingdom is increasing. For the eight months to August last, \$950,568 lbs. of Canadian tobacco valued at \$2,545,380 was exported to Great Britain as compared with \$3,917,125 lbs. valued at \$1,435,852 exported in the same period of 1931.

The Canadian silver production in 1931 was approximately 204 million ounces, or 16.5 per cent. of the world's computed production of 184 million ounces. Canada has for many years ranked third amongst the silver-producing countries of the world, being exceeded by Mexico and the United States.

New Brunswick is to stage the North American Cover Dog International Trials as an annual sporting event. Success of two days' trial concluded at Petersburg recently, has brought about formation of a permanent dog fanciers and owners association which has fixed dates for 1932.

Photographs of Bangkok's shrines, temples, statues, and other places of interest in Siam taken during world cruises by Canadian Pacific liners, are being taken to Bangkok for King Prajadhipok by the Siamese Consul-General in Canada, who sailed for the Far East on the Empress of Asia recently.

Hon. Herbert M. Marler, Canadian Minister to Japan, left for Tokyo recently aboard the Empress of Asia after a two-month vacation in Canada, strong in the belief that the Dominion is on the threshold of great trade developments in the East. With 500 million people in Japan and China, the possibilities, said the Minister, are incalculable.

China is on the eve of an era of tremendous development in railway expansion, engineering works and general trade. In the opinion of Major W. S. Nathan, chairman of the Pekin syndicate, who recently sailed on the Empress of Japan from Shanghai to Victoria en route for England. Rationalization and expansion of China's railways would be the first step in this expansion, he stated.

Three months in the unexplored regions of the Fairweather Range in Alaska, with mountain climbing, airplane explorations, and skiing, was the unusual summer holiday of a party of Harvard undergraduates, headed by H. Bradford Washburn, Jr., president of the Harvard Mountaineering Club, who returned on Canadian Pacific "Imperial" train to his Alma Mater recently. "We had had luck with weather and snow," said Mr. Washburn, but otherwise the party is bringing back some very interesting moving pictures of their experiences.

### IN MEMORIAM

In loving memory of Mary Jane Maughan who passed away November 24th, 1930.

Two years have passed since that sad day,  
The one we loved was called away.  
Dear One you are not forgotten  
Though on earth you are no more,  
Still in memories, you are with us  
As you always were before.  
Ever remembered by her loving husband and family.

### ONE CHURCH TAKES ITS STAND

"Whereas the 11th day of November is one of the most significant days in the history of the world, and whereas that day has been set apart as a Day of Remembrance by Dominion Statute, therefore be it resolved that we, the United Church of Canada, in General Council assembled, do pledge ourselves to do all in our power to see that this day shall be sacred in our national life. We further pledge ourselves to keep this day a Day of Remembrance in every truth, a day on which the Canadian people shall be impressed with the traditions of service, the horrors of war and as a day of education in international amity and fellowship."

The above part of a resolution passed by the general council of the United Church of Canada at its recent session in Hamilton, Ont.

The U.S. fire loss in 1931 was almost \$50,000,000 less than in 1930.

## HI-SCHOOL HI-LIGHTS

Many an eye will fill with tears,  
And many a face will fall,  
When they gaze on the "Detention List"

That hangs out in the hall.

—Eleanor Cork.

Miss Cain (in Latin Class)—"Gilbert, what is the Latin word for black?"  
Gilbert—"Nigero."

Then there's the one about the student who, (after the map of Italy had accidentally been knocked over), was heard to mutter: "Ah, the downfall of Italy."

—whs—

Things We Would Like to Know:  
—What is a crab—an animal, or a fish?  
—With whom do the Trade Winds trade?

—whs—

A Schoolgirl's Lament  
If my marks in the "Star" appear  
My parents will roar and rave.  
Patiently, quietly and reverently  
Place these flowers on my grave.

—whs—

Teacher (in Lit. class)—"Edward, what kind of cars did they use for the purpose of carrying the cannons in the time of Napoleon?"  
Edward—"Street cars."

—whs—

We were asked in our Biology test, to describe an experiment to prove that starch is only produced in the sunlight. Eileen wrote the following: "Take a wide-mouthed glass jar and place it over a leaf on a growing plant? Miss Secord suggested that it may be a new law of gravity or perhaps it was suspended by some form of magic..... However, it shows that Eileen has an imagination."

Just Suppose:  
—Eleanor and Bill's names weren't on the "Detention List."  
—Edith and Cliff were on time for school.

—whs—  
Wallace, who was detained after school, made a nice little job of cleaning the boards and brushes, and ever since has been a good boy.

—whs—

ENGLISH

A funny language English is,  
Though some folks brains it does not quiz.

Words said the same mean different things.

That's why grey hairs to heads it brings.

There's hairless hairs and bears no bare.

You waste no food, yet go to waist.  
Shoes free of lace are often laced.

We right a wrong, yet wrong we write.

And whose'er saw a mighty mite?  
Rain rains o'er all, yet reigns o'er none.

Our language is a curious one,  
The ocean tide was never tied.

And some who live have never lied.  
Now "to" and "too" both sound the same.

And two and two make four, they claim.

Your vegetarians have no meat  
Yet meet they have on many a street

And sweets we eat (lunch's aftermath)  
But they're not suites—two rooms and a bath.

All earthly things must end in time  
And here, dear friends, we end this rhyme.

—whs—

Bones:

—Aristocrats are people who perform on the stage.

—A centimetre is an insect with a hundred legs.

—An epigram is what we say after a man's death about him.

—Mandolins are high Chinese officials.

—whs—

Seen After the Exams:

—Gilbert and others trying to study French 2.

—Harold Wiley, Mack Adamson and Melville Rowe studying Algebra 2

and Doug doing the same with Algebra 3.

—Jean Ledley being complimented on her good marks.

—Mr. Thoreson, Miss Secord and Miss Cain holding numerous mysterious councils in the vicinity of the "Detention List."

—Chivalry isn't dead yet. Last Saturday evening a number of public and high school boys had a free-for-all "battle royale" to win the esteem of two young women from Grade IX.

—whs—

Spirits might be low after the exams were corrected but averages were much lower as you will prob-

ably notice. But don't be too down-

hearted. There are six months more in which to work to bring up the old average. All right. Let's go!

## Winter Sports in Canada

Skiing—Bob-Sledding—Hockey—Curling—Tobogganing—Dog Derbies  
Outstanding Attractions

HE invigorating climate of a typical Canadian winter, now regarded as an advantage rather than a hardship, owing to the unusual variety of healthful and appealing sports, is attracting increasing numbers of visitors to the Dominion.

Across Canada there are many beautiful and attractive snow-clad mountains, hills and valleys, which offer exceptional opportunities for enjoying a wide variety of outdoor winter sports. The principal activities throughout the country are skiing, snowshoeing, skating, tobogganing, curling, hockey, bob-sledding and dog derbies, all of which may be thoroughly enjoyed, under ideal conditions. With the exception of an occasional day during mid-winter, the temperature is not too cold for participating in outdoor sports.

While motor travel is not general during the winter season, there are many long stretches of highway which are kept conditioned throughout the winter months. The traveller will always find train service a modern and luxurious means of transportation. Hotels in many of the leading summer resort districts remain open the year round, providing good accommodation for those wishing to participate in local winter events.

Wide Range of Sports in Every Province

Each province possesses winter attractions more or less peculiar to its own particular surroundings. Practically all forms of winter sport are available in the Maritime Provinces, but a preference is shown for hockey and curling. In the province of Quebec the major sport events centre in and around Montreal, Quebec City, Murray Bay and the Laurentian mountains. Lovers of winter sports will find vast territories in Ontario which are ideal in location, and in scenic beauty. Ottawa, the federal capital, is adjacent to some of the finest skiing country on the continent, while the

best of ice-yachting may be enjoyed in Toronto bay and along the waterfront of lake Ontario. In the Muskoka and Algonquin Park districts, hotels and cabins are open for the accommodation of winter visitors.

In Manitoba the Winnipeg bospital also the winter carnival held at The Pas, are annual events of international interest, while Banff, situated in the scenic Canadian Rockies in Alberta, is one of the most important centres for winter sports. Record performances in ski-jumping have been witnessed at Revelstoke. The islands and mainland of the

southwestern part of British Columbia offer golf, tennis and other summer sports, for the winter visitor.

Government Bureau Information Service

Information concerning winter sports in Canada may be obtained from the National Development Bureau, Department of the Interior at Ottawa. Those who desire such information should state, if possible, the particular district or districts in which they are interested, in order that the most complete data may be supplied.

### CHOCOLATE CUP CAKES

 1/2 cup shortening  
 1 cup sugar  
 2 eggs  
 1/2 cup milk  
 2 cups pastry flour (or 1 1/2 cups  
 bread flour)

 2 teaspoons Magic Baking Powder  
 1/4 teaspoon salt  
 1/4 teaspoon soda  
 1 teaspoon vanilla extract  
 2/4 squares unsweetened  
 chocolate

 Cream shortening; add sugar  
 slowly; add well-beaten egg yells.  
 Sift dry ingredients together and  
 add, alternately with milk, to  
 first mixture. Add vanilla and  
 melted chocolate; fold in egg  
 whites beaten stiff. Put into  
 greased muffin tins and bake in  
 moderate oven at 375° F. about  
 25 minutes. Cover with chocolate  
 icing.

 Why  
 Miss Lillian Loughton's

## Chocolate Cup Cakes are famous

 "I use Magic  
 Baking Powder," says Miss  
 Lillian Loughton, Dietician and  
 Expert of the Canadian Maga-

 zine. "My successful baking results  
 are due in large part to its freshness,  
 uniformity, and consistent high  
 quality."

 "My own recipes are planned for  
 Magic, and I recommend it for all  
 recipes calling for baking powder."

 Miss Loughton's high praise con-  
 firms the judgment of other Cana-  
 dian dietitians and cookery experts.  
 The majority of them use Magic  
 exclusively, because it gives con-  
 sistently better baking results.

 Magic is first choice of Canadian  
 housewives, too. It outsells all other  
 baking powders combined.

**FREE COOK BOOK**—When you  
 bake at home, the new Magic Cook Book  
 will give you dozens of recipes for de-  
 licious baked foods. Write to Standard  
 Brands Ltd., Fraser Ave. & Liberty St.,  
 Toronto, Ont.

### Hints for the Household

#### RABBITS AND RAMEKINS

By Betty Barclay

 Here are two precision ingredient  
 recipes. Follow them absolutely and  
 you will have two company delicacies  
 that will please—absolutely:

##### Tomato Rabbit

 2 tablespoons quick cooking tapioca  
 1/4 teaspoon salt  
 1/16 teaspoon paprika  
 1 cup milk, scalded  
 1 cup canned tomato soup  
 1 cup grated cheese

 Add quick-cooking tapioca, salt,  
 and paprika to milk, and cook in  
 double boiler 15 minutes, or until  
 tapioca is clear, stirring frequently.  
 Add tomato soup and cheese. Cook  
 until cheese is melted. Serve on  
 crackers or toast. Serves 4.

##### Ramekin of Chicken

 8 tablespoons quick-cooking tapioca  
 1 cup milk  
 1/4 teaspoon salt

 Dash of cayenne  
 1/2 tablespoon parsley, finely cut  
 1 tablespoon butter

2 1/4 cups cooked chicken, chopped

 Combine quick-cooking tapioca,  
 milk, salt, Cayenne, parsley, butter  
 and chicken. Let stand until mixture  
 thickens slightly (6 minutes). Turn  
 into greased ramekins or custard cups.  
 Bake in moderate oven (350 degrees  
 F.)—25 minutes, or until done. Serves  
 6.

#### TWO UNUSUAL DESSERTS

 Here are two desserts that are un-  
 usual—and unusually good. Try  
 them and you will agree:

##### Orange Junket With Apple Whip

 1 package orange junket powder  
 1 pint milk  
 1 tablespoon sugar  
 1/2 cup thick apple sauce

White 1 egg.

 Prepare orange junket according  
 to directions on package. Chill in  
 refrigerator. When ready to serve,  
 beat egg white until stiff. Add apple  
 sauce and sugar. Beat well, and put  
 on top of the junket.

##### Ginger Pudding

 1 junket tablet  
 1 pint milk  
 1 tablespoon cold water  
 3 tablespoons sugar  
 1/2 teaspoon lemon flavoring  
 1/2 cup whipping cream

##### Ginger cookies

 Break a small ginger cookie (or  
 leftover cake) into each dessert dish.  
 Dissolve junket tablet in 1 table-  
 spoon cold water. Add sugar to milk  
 also lemon flavoring. Warm to lukewarm  
 (110 degrees F.)—not hot, and  
 remove from stove. Add dissolved  
 junket tablet. Stir a few seconds,  
 and pour at once over ginger cookies.  
 Chill in refrigerator. Serve with  
 whipped cream and a bit of grated  
 preserved ginger.

#### PENNY SAVING MAIN DISHES

 Don't joke about hamburger steak.  
 When properly prepared and gar-  
 nished, it is delicious as well as eco-  
 nomical. The seasoning is very im-  
 portant. A dash of sugar not only  
 ripens and mellows the flavor, but  
 imparts a wonderful zest and flavor  
 acting as a blending agent for the  
 other seasonings.

##### Hamburger on Toast

 Mix one pound of hamburger with  
 one teaspoonful each of sugar and  
 salt, 1/4 teaspoonful of pepper and  
 make into flat, loosely mixed cakes,  
 or leave in the bulk. Cut rounds of  
 bread 2 to 3 inches in diameter and  
 toast on one side only. Spread the  
 ground, seasoned beef on the other  
 side and broil five minutes. Drop a  
 bit of butter on each hamburger and  
 serve tastefully garnished with sliced  
 tomato or parsley.

##### Mock Filet Mignon

 Mix one and one-half pounds of  
 finely ground chuck or rump steak  
 with one tablespoonful of salt, one  
 teaspoonful of sugar, one-quarter tea-  
 spoonful of pepper, and paprika to  
 taste. Make up into flat cakes one  
 inch thick, twist a thin slice of bacon  
 around the cakes and broil or pan  
 broil fifteen to twenty minutes.

#### \$12,200 CONSCIENCE MONEY

 OTTAWA.—The largest single  
 amount of conscience money ever re-  
 ceived by the department of national  
 revenue was handed to the depart-  
 ment Tuesday in the form of a  
 cheque for \$12,200. A man and  
 woman appeared at the office and  
 stated they were residents of Mont-  
 real and that this sum included the  
 duty, with compound interest, on  
 articles brought into Canada over a  
 term of years without payment of

 OTTAWA.—There are 3,115,582  
 horses in Canada, or about two and  
 one-half to each motor vehicle. Cows  
 number 3,510,000, sheep, 2,622,000  
 and swine 4,667,000.

FAIR ENOUGH TO BOTH

### Rosedale Reports

By Mrs. Howard Gilbert

 The United Church service is held  
 every two weeks at Rosedale Hall.  
 Rev. W. Bainbridge, of Edgerton,  
 pastor. Service at 2.30 p.m., Sunday  
 School at 1.30 p.m.

 Rev. Mr. Rundle, Pentecostal min-  
 ister from Lloydminster, has been  
 visiting at the home of Mr. S. C.  
 Redmond. During his stay he con-  
 ducted a service at the home of Mr.  
 W. J. Gilbert one evening and also  
 gave several talks to the Saddle Hill  
 school children.

 We are glad to report that Mr. W.  
 Arlock, who has been on the sick  
 list for some time, is somewhat bet-  
 ter.

 The weekly meeting of the Bible  
 study class was held in Saddle Hill  
 school Thursday evening. The local  
 young people expected to entertain  
 the young folks from Bloomington  
 on that occasion but owing to incle-  
 ment weather the visitors were un-  
 able to attend.

 Several of the Rosedale folks at-  
 tended the concert and whist drive in  
 Sligo school Friday. All reports a  
 most enjoyable evening. The gentle-  
 man's prize went to Mr. Jack McCor-  
 mick, and Mrs. P. Smale was the  
 lucky lady. The proceeds from the  
 evening's entertainment are to go to-  
 wards providing a Christmas treat to  
 the children of the Sligo school.

 The Sunnyvale U.F.W.A. held a  
 special meeting Thursday at the  
 home of Mrs. C. G. Moore, for the  
 purpose of completing arrangements  
 for the entertainment planned for  
 Friday, Dec. 9. Owing to the short-  
 age of time, plans for a play were  
 abandoned temporarily, to be taken  
 up again later in the winter. Instead  
 of the play the ladies are putting on  
 a whist drive, sale of work and dance  
 on the above-mentioned date at the  
 Rosedale hall. Prizes given will be  
 first, second, third and consolation  
 for ladies and the same for gentle-  
 men. In addition to these, a special  
 prize of a turkey will be given for  
 the highest score of the evening. The  
 annual display and judging of junior  
 handicraft will also be a feature of  
 the evening's entertainment and prizes  
 will be awarded on this work. The  
 ladies are selling 10c tickets on a  
 hand-painted silk scarf, and the lucky  
 number will be drawn that evening.  
 Lunch will be served at midnight.  
 Admission will be 25 cents; the dance  
 will be conducted on the "jitney"  
 plan. Mrs. J. W. Guthrie will en-  
 tertain the local again on Tuesday, Dec.  
 6, instead of Mrs. Postans, as was  
 announced last week.

#### FACTS APPROVED

 LONDON.—Third reading was  
 given in the house of lords late Tues-  
 day afternoon to the government's  
 bill implementing the agreements of  
 the imperial conference at Ottawa.  
 There was no discussion.

 Thus the last parliamentary step  
 toward putting the pact signed at  
 Ottawa into effect was concluded and  
 only royal assent was required to  
 finish the procedure. It was antici-  
 pated royal assent would be given  
 immediately. The bill passed through  
 all stages of parliament in three days  
 short of one month.

 MONTREAL.—Since the establish-  
 ment of the Quebec Liquor Commis-  
 sion eleven years ago, the province of  
 Quebec has received a revenue of  
 more than \$15,000,000 through its  
 operation.

### Anburndale Items

 The Autumn Leaf Dramatic society  
 held its regular meeting in the  
 Autumn Leaf school Wednesday eve-  
 ning. After the business a very en-  
 joyable program was offered by the  
 literary group, and luncheon was  
 served.

 The wedding dance of Mr. and Mrs.  
 Lynden Fadden was held in Battle-  
 view school Friday evening, Nov. 18,  
 which was the silver wedding anni-  
 versary of the bride's parents, Mr.  
 and Mrs. Friesen.

 Several of the young people of this  
 district attended the opening dance  
 of the Vermilion school of agriculture  
 Friday evening.

 Mr. J. Holiday is on a hunting trip  
 north of the Battle river.

 Miss Agnes Cleland is spending the  
 week at the home of Mrs. Jack Hol-  
 day.

### Here and There

 There are over 450 miles of  
 motor highways, 100 miles of  
 roads, 2,472 miles of trails and  
 1,100 miles of telephone lines in  
 the twenty national parks of  
 Canada, which cover an area of  
 over 15,000 square miles in differ-  
 ent parts of the Dominion.

 San Francisco was on fire re-  
 cently when the Canadian Pacific  
 liner Empress of Britain arrived  
 there from Honolulu for a two day  
 stay on her 125-day winter cruise  
 of world ports. About 80 addi-  
 tional passengers joined the ship  
 at San Francisco and another fifty  
 at Los Angeles for the last lap of  
 her voyage through the Panama  
 Canal to New York.

 "The Mineral Position of the  
 British Empire" is the suggestive  
 title of a paper by Dr. Charles  
 Cameron, Deputy Minister of  
 Mines, which will be the leading  
 topic for discussion at the annual  
 meeting of the Canadian Institute  
 of Mining and Metallurgy, in  
 Montreal on April 6, 7 and 8. This  
 same topic will provide much dis-  
 cussion at the forthcoming Impe-  
 rial Economic Conference.

 Belief that economic conditions  
 were gradually improving and that  
 the forthcoming Imperial Econo-  
 mic Conference at Ottawa would  
 be one of the big historical events  
 in the development of the Domi-  
 nion, was expressed by Senator  
 Gideon Robertson, former Minis-  
 ter of Labor, who sailed on S.S.  
 Montcalm from Halifax recently  
 as Canada's chief delegate to the  
 14th annual conference of the  
 International Labor organization  
 at Geneva.

 Canada's rapid change from an  
 exporter of raw minerals to an  
 exporter of finished and semi-  
 finished products will be well set  
 forth at the annual meeting of the  
 Canadian Institute of Mining and  
 Metallurgy in Montreal on April  
 6, 7 and 8. A number of important  
 papers will describe the new  
 smelters and refineries that have  
 effected this change.

 With five steamers in service  
 between Port McNicoll and the  
 head of the Lakes during the  
 coming season, the Canadian Pacific  
 Railway announces that they  
 will now accept shipments of  
 freight at eastern points destined  
 to points in western Canada, via  
 Port McNicoll, Ont., and their  
 lake and rail route subject to delay  
 at Port McNicoll pending the first  
 sailing.

 Changes in the management of  
 Maritime Province summer hotels  
 of the Canadian Pacific Railway  
 will shortly become official. Joseph  
 A. Cashman who managed the  
 Lakeside Inn, Yarmouth, N.S.,  
 and is at present in charge of the  
 Place Viger Hotel in Montreal,  
 will become manager of the Algon-  
 quin Hotel, St. Andrews, N.B., and  
 he will be succeeded in the man-  
 agement of the Lakeside Inn by  
 Jeremiah Daley, Jr., now chief  
 clerk at the Cornwallis Inn, Kent-  
 ville, N.S.

### Sydenham Says

By John Moore

 Mrs. Glenn spent last week with  
 Mrs. Grogan in town.

 Mr. and Mrs. Kinghorn visited Mr.  
 and Mrs. Seale north of the river last  
 Sunday.

 Helen Glenn started working in the  
 buffalo park last Wednesday to help  
 in the annual round-up and slaughter  
 of the buffalo.

 Betty Keen is attending the separa-  
 ate school in town. She was a  
 former pupil of the Sydenham school.

 The bi-weekly whist drive and  
 dance was held in Sydenham school  
 Friday. There was a good attend-  
 ance. The honors in whist went to  
 Mrs. MacDonald and Mr. Croteau.

 Mr. J. W. Fraser painfully injured  
 his foot Friday while working at the  
 refinery. Medical examination show-  
 ed that he had cracked the bone in  
 a toe. We wish him a speedy re-  
 covery.

 We understand that the refinery  
 which has been operated by the Lan-  
 dis Co-operative association as the  
 Farmer's Oil refinery has been leased  
 to Messrs. J. Singleton and L.  
 Matkilejohn.

 The recent cold snap has been the  
 cause of considerable inconvenience  
 to local motorists. We hear that  
 several cars have either been towed  
 home or left by the roadside to be  
 attended to at a later date.

**THEY'LL TOW AMERICA OUT**  
 "Yes, some damned fools are still  
 buying new automobiles."

 "Who are they?"  
 "Well, they are people who are  
 unshaken in spirit by the past two  
 years."

 "They are not the sort of people  
 who halt business conferences and  
 bridge games to boast of their finan-  
 cial losses."

 "They prefer to plan future victo-  
 ries rather than glory in past defeats."  
 "They refused to try and keep up  
 with the Joneses when they discover-  
 ed that the Joneses were in reverse  
 gear."

 "They hold the curious belief that  
 the majority of people are still going  
 to continue to drive automobiles."

 "Not one of them has bought a  
 bicycle, or gone shopping for a good  
 second hand horse. When an electric  
 light bulb burns out at home, they  
 buy another one, instead of getting  
 an oil lamp."

 "They are the sort of people who  
 would climb out of a trench and find  
 the enemy in the open and lick him  
 rather than stay endlessly under  
 cover, building impossible defences  
 and fighting cooties."

 "They have the old American fail-  
 ing for wanting new and better  
 things, for wanting to live a little  
 today. . . . And some day, when  
 enough of them get together, they'll  
 tow America out of this mess."—Ex.

# NEURALGIA

 The agonizing aches from neuralgia can be  
 quieted in the same way you would end a  
 headache. Take some Aspirin. Take enough  
 to bring complete relief. Genuine Aspirin  
 can't hurt anybody. Men and women with  
 rheumatism will find the same wonderful  
 comfort in these tablets. They aren't just  
 for headaches or colds! Read the proven  
 directions covering a dozen other uses;  
 neuritis, sciatica, lumbago, muscular pains.  
 Cold, damp days which penetrate to the  
 very bones have lost their terror for those  
 who carry Aspirin! All druggists.

## FULL STOMACH, NOT FULL MIND IS TROUBLE

SAN QUENTIN PRISON, Calif.—  
It's the weight of the stomach—not  
of the mind—that causes troubled  
sleep. Dr. Leo L. Stanley, San Quen-  
tin physician, said here today.

Dr. Stanley declared his conten-  
tion was supported by scientific tests  
of seven convicts, including a mur-  
derer, a kidnapper and a robber.

For 10 days these selected subjects,  
Dr. Stanley said, were fed either a  
steak, a half-pound of cake or a  
liberal platter of ice cream before  
being "put to bed" for the night.

A "sleepometer," which the phy-  
sician said registered each movement  
was attached to the seven beds. These  
records, Dr. Stanley added, showed  
that each convict tossed and kicked  
most of the night.

For 10 nights, they went to sleep  
without any forebed snack. The  
meter registered hardly a kick.

## THE EXAMINER'S WEEKLY REVIEW OF PROV. MARKETS

### CATTLE

BEEF—Offerings have been of bet-  
ter quality at Edmonton this week,  
and this condition, combined with  
lighter receipts, resulted in a quite  
active market. Choice heavy steers  
brought \$5.25@5.50; choice light  
\$5.00@5.25; good \$4.50@5.00; medium  
\$4.25@4.50; common \$3.75@4.25.  
Choice heifers went at \$4.25@4.50,  
good \$3.75@4.25. Choice cows went  
at \$1.75@2.00; good from \$1.75@2.00;  
medium \$1.50@1.75; common 75c@  
1.25, and canners 50c@.81. Choice  
bulls \$1@1.25; medium 75c@.81; can-  
ners from 50c up. Choice light calves  
\$3@3.50, and common from \$1.50@  
2.00. FEEDERS-STOCKERS—There  
is a fair demand in this market, par-  
ticularly for the light weights. Feed-  
er steers \$1.75@2.75; stock steers  
\$1.50@2.75; stock heifers from \$1.50  
@2.75; stock cows 75c@1.50.

HOGS  
Edmonton unchanged. Bacon \$2.70  
@2.80; select \$3.20@3.30; butchers  
\$2.20@2.30, fed and watered.

SHEEP  
Yearlings and lambs slightly higher  
at Edmonton; ewes unchanged. Year-  
lings \$2 at \$3; ewes \$1 at \$2, and  
lambs from \$2 at \$4.

GRAIN  
Market at Winnipeg showed sub-  
stantial gain last Saturday, but since  
then a gradual price easing has oc-  
curred. Lack of good export trade  
and weakness on outside markets has  
caused the downward trend.

CREAM—BUTTER—MILK  
CREAM—Deliveries have shown  
decrease during past week owing to  
weather conditions. Prices holding  
unchanged. Special, 17c; first, 15c;  
second, 12c, at country point and  
centralizing plants. CREAMERY  
BUTTER—Fairly active demand in  
Alberta, but outside markets weak.  
Limited supply going to Vancouver,  
but buying there on hand-to-mouth  
basis. Quotations unchanged: No. 1  
cartons, 25c; No. 2, 23c; No. 1 prints,  
24c; No. 2, 22c; No. 3, 19c. DAIRY  
BUTTER—Good demand for fancy  
table offerings, but supplies light;  
lower grades slow. Fancy table, 16c;  
No. 1, 9@ 11c; No. 2, 7@8c. MILK—  
Prices unchanged with Calgary at  
\$1.50 and Edmonton \$1.75, per 100  
lbs., basis 3.6.

POULTRY—EGGS  
POULTRY—Despite weather con-  
ditions receipts have again been  
heavy this week. Very few No. 2  
birds showing up. Bulk of supply  
going into storage. Demand fair, but  
not sufficient to absorb all offerings.  
EGGS—Receipts very light and prices  
still showing a large spread. Extras,  
22@23c; firsts, 20@20c; seconds, 14  
@25c. Few British Columbia eggs  
being offered. Bulk of production be-  
ing handled by direct sales to con-  
sumers.

HAY—FEED OATS—GREENFEED  
HAY—Good demand at Calgary  
loose hay market, but carload lot  
business remains drab. Upland is  
quoted at \$8, and timothy \$8@10,  
on track at country points, with loose  
upland \$8 and baled at \$8 at \$9 per  
ton, on city market. FEED OATS—  
Offerings were more liberal during  
past week; demand not very active,  
and price unchanged at 15@18c per  
bushel, delivered. GREENFEED—  
Good demand and high quality feed  
being offered. Price remains steady at  
\$6 per ton delivered.

MONTREAL—W. L. McGregor,  
chairman of the national committee  
on public finance of the Canadian  
Chamber of Commerce, states that  
since 1867, while the population of  
Canada has trebled, Dominion and  
provincial expenditures have in-  
creased thirty-fold. Practically all  
the increase has been made since  
1904.

## BRITAIN PUT NEW TARIFFS IN EFFECT

LONDON.—New customs duties  
affording goods from the countries of  
the British commonwealth greater  
protection in markets of the United  
Kingdom, became effective at mid-  
night Wednesday under terms of the  
Ottawa agreements act which was  
given royal assent Tuesday night.

The government Tuesday night is-  
sued the necessary treasury order to  
make effective duties contained in  
the United Kingdom's Ottawa agree-  
ments with Canada, Australia, New  
Zealand, South Africa and Southern  
Rhodesia.

The order, however, made no pro-  
vision to put into effect duties con-  
tained solely in the agreements with  
Newfoundland and India, as those  
two countries have not yet taken  
steps to set up new tariffs contained  
in their sides of the agreements.

The treasury order held up that  
part of the agreement which lifts the  
embargo on cattle from Canada  
and it was said further consideration  
would be given to the date on which  
this provision will be put into force.

One of the major duties in which  
Canada is primarily interested, that  
on wheat, will go into immediate  
effect with the added provision for a  
six-cents-a-bushel preference for  
wheat grown in the empire and con-  
signed direct to the United Kingdom.

The duty on copper was tempo-  
rarily suspended pending the outcome  
of conferences between empire pro-  
ducers and consumers in the United  
Kingdom.

In an orchard at the mission of San  
Juan Bautista, in California, pear  
trees 120 years old are still produc-  
ing fruit.

## A Poem A Week

### A POETICAL CONTRAST

Why One Boy Left the Farm  
I left my dad his farm to plow,  
Because my calf became his cow;  
I left my dad—"Twas wrong of  
course"—  
Because my colt became his horse.  
I left my dad to sow and reap  
Because my lamb became his sheep;  
I dropped my hoe and stuck my fork,  
Because my pig became his pork.  
The garden truck I made to grow  
Was his to sell and mine to hoe.

Why Another Boy Didn't  
With dad and me it's half and half.  
The cow I own was once his calf;  
No town for mine, I will not bolt;  
Because my horse was once his colt.  
I'm going to stick right where I am,  
Because my sheep was once his lamb.  
I'll stay with dad, he gets my vote,  
Because my hog was once his shoat.  
It's "fifty-fifty" with dad and me,  
A profit sharing company.  
—Edmonton Journal.

## CAN. NATIONAL RLWYS. WEEKLY NEWS ITEMS

A young member of Montreal's  
smart set made application recently  
to the Canadian National Telegraphs  
for a position that might be described  
as "social superintendent of society  
communications". Her initiative was  
lauded but no place on the payroll  
could be found for her. The Montreal  
miss had heard, apparently, of a  
young New York lady, member of  
the famous "four hundred", who se-  
cured a position with the Western  
Union Telegraph Company, affiliated  
with the Canadian National Tele-  
graphs. The New York girl was  
employed as "social secretary", en-  
trusted with matters of expedition  
and reception and with the delicate  
task of advising the clientele in mat-  
ters of etiquette applied to telegram

## PUBLIC NOTICE

Notice is hereby given that, under

Each parcel will be offered for sale  
subject to a reserve bid, and subject  
to the reservations contained in the  
existing certificate of title.

Terms, cash, unless otherwise ar-  
ranged.

Redemption may be effected by  
payment of the full amount of ar-  
rears and costs at any time prior to  
the sale.

Dated at Edgerton, Alberta, this  
7th day of September, 1932.

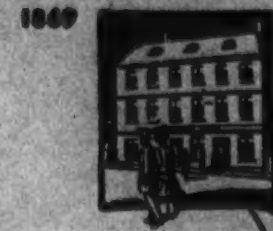

D. PAWSEY,  
Secretary-Treasurer.

wording and timing. However, the  
Canadian National Telegraphs have  
instructed all employees throughout  
the system to prepare themselves for  
the handling of telegrams that ex-  
tend, decline or accept invitations  
and other messages of a social na-  
ture. Dame Fashion seems to have  
emailed on this type of telegraph mes-  
sage.

European travellers newly arrived  
in Canada and unaccustomed to the  
type of Pullman sleeping cars used  
on Canadian trains sometimes find it  
a little difficult to acquire the tech-  
nique of undressing and dressing  
within the confines of a curtained  
berth. Two Englishmen of middle  
age solved the problem the other  
day in a manner which astonished  
their fellow passengers. Leaving the  
Chateau Laurier at Ottawa to join a  
night train, they entered the Cana-  
dian National Railways wearing py-  
jamas which their light overcoats  
no means concealed. Their bowler  
hats and the walking sticks they car-  
ried were scarcely in keeping with the  
bedroom slippers they were wear-  
ing, but, accompanied by porters in  
charge of their luggage, the two  
Englishmen strolled on to a crowded  
platform with a vast unconcern which  
was not in the least diminished by  
the stares of the startled spectators.

Those Who Have Saved  
— Are Able To Buy —  
Save at The Royal Bank

## In One Direction for over 60 years

This record of Canada is like  
the course of a mighty river  
—interrupted at times by  
twists and turns of difficulty,  
but making across the map of  
the last 60 years a line  
of progress so strong  
and sure that its direction is  
unmistakable.

The Royal Bank of  
Canada is typical of  
this progress. Starting  
as a small local bank in  
Halifax, it has moved  
steadily forward  
through booms and de-  
pressions since 1869.  
With 881 branch offices,  
it is today one of the  
great banking institu-  
tions of the world.

## ALL THE NEWS FROM THE TOWN AND DISTRICT

DO YOU REALIZE? Christmas Day is just four weeks next Sunday; take a trip through the local stores and Do Your Shopping Early!

Miss Margaret Fish who is in nursing training in an Edmonton hospital is home for a month's vacation with her parents, Mr. and Mrs. Frank Fish. She will return to the hospital early in January.

Ella Beeples left Thursday for her home in Calgary after a week's visit with Mrs. C. Coleman.

Mrs. W. C. Bowen returned Saturday from a week's visit in Edmonton with her daughter, Mrs. Knight.

Harvey Challenger and family of Edgerton visited the Frank Hackett family last week.

The W.A. of St. Thomas Anglican church are holding their annual sale of fancywork and home cooking in the Oddfellow hall on Saturday, Nov. 26, from 8 to 6 p.m. There will be a fish pond for the children. Afternoon tea will also be served.

Mr. Sorgen's mother and brother from Holden were Wainwright visitors Sunday.

A display of the work of the St. Thomas W. A. which will be sold at their bazaar in Monty's Cash Store window.

Five members of the local Masonic lodge visited the lodge at Viking Tuesday of last week.

Tom Dunn, representative of R. Burns &amp; Co. who have the contract for this year's buffalo slaughter, arrived in town Friday to organize the work at the park for the company.

Order your Christmas cards now from The Star.

Don't risk losing your property in fire when 1/2c per day carries \$1000 insurance. See Joe Welch and insure your property in one of the strong companies that he represents.

The Montreal-Alberta have taken down their rotary drill and are installing a standard drill. This type of drill is considered safer and more economical for deep well drilling.

Phone us your local news.

For 24 years Black Diamond has been the leading coal in Wainwright. Today it is better screened, better mined and sells for less money than ever. When you buy Black Diamond at \$6.50 a ton you are getting the best heat value there is. Sold by Atlas Lumber Yard.

Order your Christmas cards now from The Star.

We learn that two of the three resolutions which were formulated by our local hospital board for presentation to the annual hospital convention were successfully steered to victory by the local delegate. A full report will appear in a later issue.

Bob Smallwood of the Battle River M.D. was one of the members of the resolutions committee at the provincial municipal convention at Calgary last week.

Rev. Hugo Doyle of the Church of the Blessed Sacrament was a visitor to Edmonton last week.

W. J. Huntingford returned Saturday morning from Calgary where he was the official delegate from the local hospital board to the province municipal hospital convention.

Mr. H. Thwaites was a visitor to Edmonton over the week-end.

J. W. Stuart will be shipping hogs from Wainwright on Tuesday, Nov. 29.

Little Joyce Lally who suffered an attack of appendicitis last week is much better now and is back in school full-time.

Mrs. J. A. MacKenzie, who suffered a broken bone in a fall downstairs about 10 days ago, is now showing steady improvement. She was able to be up a short time Sunday and expects to remain up the latter part of this week.

Order your Christmas cards now from The Star.

Jack Sutherland went down to Edmonton over the week-end.

Mr. and Mrs. John White have rented George Morley's house on Seventh avenue and will make their home there. Mr. and Mrs. White were married two weeks ago at Edmonton. Mrs. White's former home.

Mrs. A. Schmits of Mirror was in town last week visiting Mr. Schmits, who is hostler at the round-house.

Don't forget the big card party and dance which the Agricultural society will put on at the Elite theatre Tuesday, Nov. 28.

Mr. H. Frickelton is on the sick list this week. He has been unable to attend to his work as chief clerk at the buffalo park offices and is under medical treatment.

Phone us your local news.

The D. W. Beaulieu oil well at Fab-yan has been shut down temporarily, awaiting the arrival of casing which has been purchased and will be on the ground very soon.

Mrs. Folkins who has been visiting her daughter, Mrs. J. A. MacKenzie, the past few weeks is returning to her home in Chauvin. Mrs. MacKenzie is recovering satisfactorily from an accident.

Mr. M. Grondon of Amlak entered the Wainwright municipal hospital last week-end, undergoing a major operation Monday. He is getting along as well as would be expected.

Order your Christmas cards now from The Star.

Mrs. Fish Sr. arrived in Wainwright Sunday from her home in Ramsey to visit her son, Frank Fish, and family.

Miss F. Rajotte has been a patient for several days at the hospital for treatment of an injured finger. She is now much better.

Miss Isabel Griffiths of Toronto, traveling secretary for the United Church Women's Missionary society in Young People's work, will speak at the United Church today (Wednesday) at 8 p.m. All ladies are invited to this meeting. The evening meeting will be open to the public.

Order your Christmas cards now from The Star.

Some 14 inches of snow are said to have fallen here during the past week. At any rate, snow fell in generous quantities the last of last week and intermittently through the rest of the week. The weather the middle of last week was cold enough to suit anyone in November, but it warmed up again by the time the week-end arrived.

Word has been received here that Mrs. Dr. H. C. Wallace and her son Bonnie have arrived safely at Liverpool. They left Wainwright some weeks ago for an indefinite visit at the Isle-of-man with Mrs. Wallace's father, who is seriously ill.

Mr. G. W. Shelldrake of the Turtleford (Sask.) News will be the new owner of the Unity Courier. He takes over at the first of the month when J. MacDonald, the publisher of the Courier for the past 22 years, will retire to the East for his health.

Phone us your local news.

Miss Vera Stuart, who teaches school at Irma, was home for the week-end with her parents, Mr. and Mrs. J. W. Stuart.

The Battleford U.F.W.A. will hold a bazaar in the school house Friday, December 2. All are cordially invited to attend.

## I.O.O.F. Head Gives Good Advice

More consideration must be given to the spiritual side of life and the general good of humanity if the world is ever to come out of the existing depression, is the opinion of Hon. W. F. Jackson, of Fort Scott, Kansas, grand sire of the sovereign grand lodge, I.O.O.F., who last week visited Western Canada, using Canadian National services. The kind of prosperity which leaves half the country rolling in wealth and the other half starving is not worth trying to re-establish. Men must cease trying to pile up wealth at the expense of the other fellow, and work for the good of the community, the visitor declared to newspaper men.

J. Costello of Auburndale entered the Wainwright hospital this week for treatment.

Mrs. Julius Samuels spent the last ten days as the guest of Mrs. J. F. Caron.

Mr. and Mrs. McKinnon junior from Saskatchewan are here for a visit to the former's father.

Order your Christmas cards now from The Star.

## Here and There

Buildings which will house the World's Grain Exhibition and Conference at Regina next July and August are rapidly approaching completion and preparations are already being made for the extensive exhibits.

Canada's apple-growing belt is moving northward. Standard apples have been grown this year at the Dominion Experimental Farm at Beaverlodge, Alberta, which is 423 miles north of the international boundary between Canada and the United States.

Canada has entered the British West Africa market for tobacco with a trial shipment of 25 casks of Canadian-grown tobacco, recently. About 77 per cent of British West Africa tobacco has been secured from the United States, but Canada hopes to get the market under the new inter-Empire preference.

National Fish Week between October 24-31 has been supported by the Canadian Pacific Railway since 1918 and this year was no exception. The company marked the celebration with special menu cards listing fish products of the sections of Canada through which the railway runs between Saint John, N.B., and Vancouver, British Columbia.

Canada lost one of its best-known and popular railroad officials recently when A. Altken, assistant superintendent of the Bruce Division, Canadian Pacific Railway, dropped dead in Toronto on his way to his office. Mr. Altken was 60 years of age and had spent 34 years in the company's service.

The Canadian Pacific liner Empress of Britain was the scene of a wedding reception and breakfast at Quebec recently, following the marriage of Miss Marthe St. Laurent, daughter of the president of the Canadian Bar Association, to Dr. Mathieu Samson. Five hundred guests filled past the wedding group assembled in the Mayfair Lounge of the Empress.

Not forgetting his work as director-general of the National Flood Relief Commission in 1931, China has asked Sir John Hope Simpson, famous British organizer, to join its newly created National Economic Council. Sir John sailed recently aboard the Empress of Canada for Shanghai to wind up the flood relief commission affairs.

The United States Middle West and the Province of Quebec share honors as winners of the Canadian Pacific Bungalow Camps Fishing Trophies which have been awarded at French River, Nipigon River and Devils Gap. G. A. Hoffman, of Cleveland, had a 27 1/2 lb. muskellunge; C. O. Kulman, of St. Paul, Minn., had a 6 1/2 lb. square tailed speckled trout; and O. C. Steinmeyer, Westmont, Que., had a bass weighing 4 lbs., 14 ounces.

Leaving a money belt containing round-the-world, steamship and rail tickets and a cool thousand dollars or so in cash at his Vancouver hotel, Charles Clarke, Los Angeles, only discovered his loss after his ship, the Empress of Canada, had sailed from Vancouver. Wireless messages to the Canadian Pacific steamship general passenger agent resulted in recovery of the belt and its forwarding by airplane in time to reach the vessel before she left Victoria.

Grain shipments through the port of Halifax were nearly 400,000 bushels greater in 1931 than in 1930. Figures for the two years are: 1930, 731,995 bushels; 1931, 1,126,787 bushels.

Gold production from Northern Ontario mines in 1931 is estimated to have a value of \$45,000,000. Since mining began 25 years ago, these mines have produced a value of \$396,000,000 worth of gold.

The Mountain comes to Mahomet these days. University of Alberta gives educational courses by radio four times a week, enabling those unable to attend in person to have the university taken to them.

Total value of all field crops produced in Canada in 1931 is estimated at \$431,251,000, of which wheat accounts for \$108,784,000. Hay and clover is the next most valuable crop, being put at \$113,961,000.

A solid block of blue granite hewn from the side of Mt. Sir Donald, in the Canadian Rockies, has been shipped to New Haven, Connecticut, to be incorporated in the new Strathcona Memorial Building now being built at Yale University.
